Item 7.01 Regulation FD Disclosure.

Plan and Disclosure Statement

As previously disclosed, on December 21, 2022, Core Scientific, Inc. (the “**Company**”) and certain of its affiliates (collectively, the “**Debtors**”) filed voluntary petitions (the “**Chapter 11 Cases**”) in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”) seeking relief under Chapter 11 of Title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors continue to operate their business and manage their properties as “debtors-in-possession” under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court. Additional information about the Chapter 11 Cases, including access to Court documents, is available online at cases.stretto.com/CoreScientific/, a website administered by Stretto, Inc., a third-party bankruptcy claims and noticing agent. The information on this web site is not incorporated by reference into, and does not constitute part of, this Form 8-K.

Also, as previously disclosed, on November 16, 2023, the Debtors filed the *Third Amended Joint Chapter 11 Plan of Reorganization of Core Scientific, Inc. and its Debtor Affiliates* (the “**Third Amended Plan**”) and the related Disclosure Statement for the Plan (the “**Disclosure Statement**”) with the Bankruptcy Court. Further, on November 17, 2023, the Bankruptcy Court entered an order, among other things, conditionally approving the Disclosure Statement and authorizing the Debtors to solicit acceptances for the Plan.

Also, as previously disclosed, on December 18, 2023, the Debtors, the committee of unsecured creditors of the Debtors, the ad hoc group of the Debtors’ secured convertible notes holders, the equity committee (the “**Equity Committee**”), the members of the Equity Committee, other than Foundry Digital LLC and B. Riley Commercial Capital, LLC and BRF Finance Co., LLC (and any assignees thereof) reached an agreement in principle with respect to the terms of a global settlement of Plan issues between such parties (the “**Global Plan Settlement**”).

On December 26, 2023, the Debtors filed the *Fourth Amended Joint Chapter 11 Plan of Reorganization of Core Scientific, Inc. and its Debtor Affiliates* (the “**Fourth Amended Plan**”) with the Bankruptcy Court. On December 27, 2023, the debtors filed a related supplement to the Disclosure Statement (the “**Disclosure Statement Supplement**”) with the Bankruptcy Court. The Disclosure Statement Supplement describes, among other things, the Fourth Amended Plan; the Restructuring; the events leading to the Chapter 11 Cases; certain events that have occurred or are anticipated to occur during the Chapter 11 Cases, including the anticipated solicitation of votes to approve the Fourth Amended Plan from certain of the Debtors’ creditors; and certain other aspects of the Restructuring.

Although the Debtors intend to pursue the Restructuring in accordance with the terms set forth in the Fourth Amended Plan, there can be no assurance that the Fourth Amended Plan will be approved by the Bankruptcy Court or that the Debtors will be successful in consummating the Restructuring or any other similar transaction on the terms set forth in the Fourth Amended Plan, on different terms or at all. Bankruptcy law does not permit solicitation of acceptances of a proposed Chapter 11 plan of reorganization until the Bankruptcy Court approves a disclosure statement relating to the Fourth Amended Plan. Accordingly, neither the Debtors’ filing of the Fourth Amended Plan and Disclosure Statement Supplement, nor this Current Report on Form 8-K, is a solicitation of votes to accept or reject the Fourth Amended Plan. Any such solicitation will be made pursuant to and in accordance with applicable law, including orders of the Bankruptcy Court. The Fourth Amended Disclosure Statement is being submitted to the Bankruptcy Court for approval but has not been approved by the Bankruptcy Court to date.

Information contained in the Fourth Amended Plan and the Disclosure Statement Supplement is subject to change, whether as a result of amendments or supplements to the Fourth Amended Plan or Disclosure Statement Supplement, third-party actions, or otherwise, and should not be relied upon by any party. Such amendments and supplements will also be available for review and free of charge online at cases.stretto.com/CoreScientific/. Such amendments and supplements may be filed with the Bankruptcy Court without the filing of an accompanying Current Report on Form 8-K. The documents and other information available via website or elsewhere are not part of this Current Report on Form 8-K and shall not be deemed incorporated herein.

Copies of the Fourth Amended Plan and the Disclosure Statement Supplement are attached as Exhibits 99.1 and 99.2, respectively, to this Current Report on Form 8-K.

As of the date of this filing, the Company has reached agreements in principle concerning the material terms of the Restructuring and support for the Fourth Amended Plan with all of its key stakeholders. Such agreements, including the Global Plan Supplement, are embodied in the Fourth Amended Plan.

Plan Supplement

Also, as previously disclosed on December 8, 2023, the Debtors filed a supplement to the Third Amended Plan (as amended, the “**Plan Supplement**”) with the Bankruptcy Court, and on December 11, 2023, the Debtors filed a further supplement to the Third Amended Plan with the Bankruptcy Court.

On December 27, 2023, the Debtors filed a supplement to the Fourth Amended Plan with the Bankruptcy Court (the “**Second Amended Plan Supplement**”). The Second Amended Plan Supplement includes a schedule of Allowed General Unsecured Claims (as defined in the Fourth Amended Plan). The documents in the Second Amended Plan Supplement replace and supersede all prior-filed versions of such documents, as applicable. The documents contained in the Plan Supplement have not yet been approved by the Bankruptcy Court. A copy of the Second Amended Plan Supplement is attached as Exhibit 99.3 to this Current Report on Form 8-K.

The foregoing descriptions of the Fourth Amended Plan, the Disclosure Statement Supplement and the Second Amended Plan Supplement do not purport to be complete and are qualified in their entirety by reference to the full text of the Fourth Amended Plan, the Disclosure Statement Supplement and the Second Amended Plan Supplement.

In accordance with General Instruction B.2 of Form 8-K, the information being furnished under this Item 7.01 of this Current Report on Form 8-K, including Exhibit 99.1, Exhibit 99.2 and Exhibit 99.3, shall not be deemed to be “filed” for purposes of Section 18 of the Exchange Act or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any registration statement or other document filed by the Company under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such filing.

If a Professional does not provide an estimate, the Debtors shall estimate in good faith the unpaid and unbilled fees and expenses of such Professional.

2.8. Post-Effective Date Fees and Expenses.

(b) For purposes of computing distribution amounts to Holders of Allowed Claims and Existing Common Interests on the Effective Date, such that New Common Interests and New Warrants issued to Holders of Allowed Claims and Existing Common Interests on the Effective Date shall be issued on a diluted basis with a share count and allocation that takes into account the maximum number of New Common Interests that can be issued to Disputed Claims in Class 8A and Class 11 if subsequently Allowed, Disputed Class 8A Claim Shares and Disputed Class 11 Claim Shares shall be treated as if issued on the Effective Date on account of Disputed Claims in the Disputed Claims Estimation Amount. To the extent a Disputed Claim in Class 8A or Class 11 becomes an Allowed Claim, the Holder of such Claim shall receive (i) if such Disputed Claim is a General Unsecured Claim, (x) New Common Interests, and New Common Interests shall be issued, with a value, based on Plan Value, equal to the Allowed amount of such Claim, provided that such Allowed amount may not exceed the Disputed Claims Estimation Amount, (y) the Holder's Pro Rata Share of the GUC Settlement Additional Distribution Amount (and New Common Interests shall be issued on account thereof), and (z) the Holder's Pro Rata Share of the GUC Contingent Payment Obligations in accordance with the term and provisions of the GUC Contingent Payment Obligations Term Sheet and (ii) if such Disputed Claim is a Section 510(b) Claim, its Pro Rata Equity Share of the Residual Equity Pool and New Warrants. To the extent the Disputed Claim is either Disallowed or Allowed in an amount that is less than the Disputed Claims Estimation Amount for such Disputed Claim, (x) New Common Interests with a value, based on Plan Value, equal to (1) the Disputed Claims Estimation Amount minus (2) the amount in which the Disputed Claim is Allowed pursuant to a Final Order, shall then be issued and distributed no less than annually to Holders of Allowed Claims and Existing Common Interests in Classes 11 and 12 in accordance with sections 4.12 and 4.13 hereof, subject to section 5.23(c) hereof; *provided*, that the applicable Pro Rata Equity Share of New Warrants allocable to Disputed Section 510(b) Claims that are subsequently Disallowed or Allowed in an amount less than the Disputed Claims Estimation Amount shall then be issued and distributed no less than annually to Holders of Allowed Claims and Existing Common Interests in Classes 11 and 12 in accordance with sections 4.12 and 4.13 hereof, and (y) all Holders of Allowed General Unsecured Claims in Class 8A shall receive additional New Common Interests (which New Common Interests shall then be issued) in respect of their Pro Rata Share of the GUC Settlement Equity Distribution Amount based on the recalculation of the Pro Rata Share.

Upon termination of the GUC Contingent Payment Obligations, such New Common Interests shall be distributed in accordance with section 5.23(b)(x). If and when payments

are due under the GUC Contingent Payment Obligations, (i) New Common Interests on account thereof shall be issued and distributed to Holders of Allowed General Unsecured Claims in accordance with their Pro Rata Share in an aggregate amount no greater than the GUC Contingent Payment Obligations Maximum Amount and (ii) any New Common Interests equal to the difference between the GUC Contingent Payment Obligations Maximum Amount and those distributed on account of the GUC Contingent Payment Obligations shall be issued and distributed in accordance with section 5.23(b). To the extent there are Disputed General Unsecured Claims that remain outstanding when payment becomes due and payable under the GUC Contingent Payment Obligations, then appropriate adjustments will be made on account of the Disputed General Unsecured Claims consistent with the treatment of Disputed General Unsecured Claims under this Plan.

(d) For purposes of computing distribution amounts to Holders of Allowed Claims and Existing Common Interests on the Effective Date, such that New Common Interests issued to Holders of Allowed Claims and Existing Common Interests on the Effective Date shall be issued on a diluted basis with a share count and allocation that takes into account the maximum number of New Common Interests that can be issued on account of the Second Incremental Convertible Noteholders Equity Distribution, New Common Interests shall be treated as if issued on the Effective Date on account of the Second Incremental Convertible Noteholders Equity Distribution in an amount equal to the Second Incremental Convertible Noteholders Equity Distribution Temporary Calculation Amount. Following approval of the Equity Committee's Professional Fee Claims pursuant to a Final Order, (i) New Common Interests with a value, based on Plan Value, equal to the amount by which the Second Incremental Convertible Noteholders Equity Distribution Temporary Calculation Amount exceeds the Second Incremental Convertible Noteholders Equity Distribution Amount, if any, shall then be issued and distributed to Holders of Allowed Claims and Existing Common Interests in Classes 11 and 12 in accordance with sections 4.12 and 4.13 hereof and (ii) New Common Interests equal to the Second Incremental Convertible Noteholders Equity Distribution Amount shall then be issued and distributed as set forth in sections 4.1 and 4.2 hereof.

(e) Upon the Effective Date, the Reorganized Debtors anticipate that they will continue to be a reporting company under the Exchange Act, 15 U.S.C. §§ 78(a)–78(pp). The Reorganized Debtors anticipate using commercially reasonable efforts to have the New Common Interests listed on the NASDAQ, NYSE, or another nationally recognized exchange, as soon as reasonably practicable, subject to meeting applicable listing requirements following the Effective Date.

5.24. *Nonconsensual Confirmation.*

The Debtors intend to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code as to any Classes that reject or are deemed to reject the Plan.

5.25. *Closing of the Chapter 11 Cases.*

After the Effective Date, the Reorganized Debtors shall be authorized, but not directed, to submit an order to the Bankruptcy Court under certification of counsel that is in form and substance reasonably acceptable to the U.S. Trustee, the Reorganized Debtors, and the Requisite Consenting Creditors (subject to the parties' rights and obligations under the RSA) that closes and issues a final decree for each of the Chapter 11 Cases.

5.26. *Notice of Effective Date.*

As soon as practicable, the Debtors shall File a notice of the occurrence of the Effective Date with the Bankruptcy Court.

ARTICLE VI. DISTRIBUTIONS.

6.1. *Distributions Generally.*

Except as otherwise provided in the Plan, the Disbursing Agent shall make all applicable Plan Distributions to the appropriate Holders of Allowed Claims and Existing Common Interests in accordance with the terms of the Plan. The Reorganized Debtors shall be authorized to cause partial distributions to be made on account of Allowed Claims and Existing Common Interests before all Claims are Allowed. The Reorganized Debtors shall also be authorized to cause distributions of New Common Interests following the Effective Date to carry out the terms of the Plan, including causing distributions to Holders of Claims in Classes 1 and 2 on account of the Second Incremental Convertible Noteholders Equity Distribution, Holders of Disputed Claims that become Allowed Claims, and Holders of Claims and Interests in Class 8A, 11, and 12, each in accordance with sections 5.23(b), (c), and (d) hereof.

6.2. *Distribution Record Date.*

As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtors or their respective agents shall be deemed closed, and there shall be no further changes in the record Holders of any of the Claims or Interests. The Debtors or the Reorganized Debtors shall have no obligation to recognize any transfer of the Claims or Interests occurring on or after the Distribution Record Date. In addition, with respect to payment of any Cure Amounts or disputes over any Cure Amounts, neither the Debtors nor the applicable Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable Executory Contract or Unexpired Lease as of the close of business on the Distribution Record Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

All distributions to Convertible Noteholders shall be deemed to be made to or by the Notes Agent. Regardless of whether such distributions are made by the Notes Agent or by the Disbursing Agent at the reasonable direction of the Notes Agent, the charging liens shall attach to the property to be distributed to the Convertible Noteholders in the same manner as if such distributions were made through the Notes Agent.

Notwithstanding anything in the Plan to the contrary, in connection with any distribution under the Plan to be effected through the facilities of DTC (whether by means of book-entry exchange, free delivery, or otherwise), the Debtors or the Reorganized Debtors, as applicable, shall be entitled to recognize and deal for all purposes under the Plan with Holders of Claims in each Class to the extent consistent with the customary practices of DTC used in connection with such distributions. All New Common Interests, New Secured Convertible Notes, New Secured Notes, New Warrants, or Contingent Payment Obligations to be distributed under the Plan pursuant to section 1145 of the Bankruptcy Code shall be issued in the names of such Holders or their nominees in accordance with DTC's book-entry exchange procedures or on the books and records of the Reorganized Debtors or of the applicable agent or trustee; *provided*, that such New Common Interests, New Secured Convertible Notes, New Secured Notes, New Warrants, or Contingent Payment Obligations will only be issued in accordance with DTC book-entry procedures if the same are permitted to be held through DTC's book-entry system. The New Common Interests, New Warrants, New Secured Convertible Notes, and New Secured Notes shall not initially be certificated.

6.3. *Date of Distributions.*

Except as otherwise provided in this Plan (including payments made in the ordinary course of the Debtors' business) or as paid pursuant to a prior Bankruptcy Court order, on the Effective Date or, if a Claim or Interest is not Allowed on the Effective Date, on the date that such Claim or Interest becomes Allowed, or, in each case, as soon as reasonably practicable thereafter, or as otherwise determined in accordance with the Plan and Confirmation Order, including, without limitation, the treatment provisions of Article IV of the Plan and section 5.23 of the Plan, each Holder of an Allowed Claim or Existing Common Interest shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Existing Common Interests in the applicable Class provided in the Plan; *provided* that the Reorganized Debtors may implement periodic distribution dates to the extent they determine them to be appropriate; *provided, further*, that the Reorganized Debtors may make distributions of New Common Interests following the Effective Date, including to (i) Holders of Disputed Claims that become Allowed Claims (including on account of the GUC Settlement Additional Equity Distribution Amount), (ii) Holders of Allowed Claims in Classes 1 and 2 on account of the Second Incremental Convertible Noteholders Equity Distribution, the New Secured Convertible Notes, and the Contingent Payment Obligations, (iii) Holders of Allowed General Unsecured Claims in Class 8A on account of the GUC Contingent Payment Obligations, (iv) Holders of Allowed Claims and Interests in Classes 11 and 12 in accordance with sections 5.23(b), (c), and (d) and sections 8.5(c)(i), (iii), and (iv) hereof, (v) Holders of Allowed Claims in Class 8A in accordance with sections 5.23(b) and (c) hereof (including on account of the GUC Settlement Additional Equity Distribution Amount), and (vi) Holders of Unvested RSUs and Stock Options in accordance with sections 8.5(c)(iii) and (iv), respectively. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VII; *provided* that any New Common Interest and any New Warrant that are issuable to Holders of Allowed Claims but are withheld from distribution on account of a Holder of a Disputed Claim shall not be issued until such time such Disputed Claim is resolved and the New Common Interests and/or New Warrants are to be distributed. Except as specifically provided in the Plan, Holders of Allowed Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. Issuances in connection with the distribution of the Second Incremental Convertible Noteholders Equity Distribution shall be made as soon as practicable to the Holders of Allowed Claims in Classes 1, 2, 11, or 12, as applicable, after all Professional Fee Claims for the Professionals representing the Equity Committee are Allowed or Disallowed by Final Order.

6.4. *Disbursing Agent.*

All distributions under the Plan shall be made by the applicable Reorganized Debtor or applicable Disbursing Agent on or after the Effective Date or as otherwise provided herein. A Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties, and all reasonable fees and expenses incurred by such Disbursing Agent directly related to distributions hereunder shall be reimbursed by the Reorganized Debtors.

6.5. *Rights and Powers of Disbursing Agent.*

(a) From and after the Effective Date, each Disbursing Agent, solely in its capacity as Disbursing Agent, shall be exculpated by all Entities, including, without limitation, Holders of Claims against and Interests in the Debtors and other parties in interest, from any and all claims, Causes of Action, and other assertions of liability arising out of the discharge of the powers and duties conferred upon such Disbursing Agent by the Plan or any order of the Bankruptcy Court entered pursuant to or in furtherance of the Plan, or applicable law, except for actions or omissions to act arising out of the gross negligence or willful misconduct, fraud, malpractice, criminal conduct, or *ultra vires* acts of such Disbursing Agent. No Holder of a Claim or Interest or other party in interest shall have or pursue any claim or Cause of Action vested in a Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by such Disbursing Agent to be necessary and proper to implement the provisions hereof.

(b) Powers of Disbursing Agent. Each Disbursing Agent shall be empowered to: (i) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (ii) make all applicable distributions or payments provided for under the Plan; (iii) employ professionals to represent it with respect to its responsibilities; and (iv) exercise such other powers (A) as may be vested in such Disbursing Agent by order of the Bankruptcy Court (including any Final Order issued after the Effective Date) or pursuant to the Plan or (B) as deemed by such Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

(c) Expenses Incurred on or After the Effective Date. Except as otherwise ordered by the Bankruptcy Court and subject to the written agreement of the Reorganized Debtors, the amount of any reasonable fees and expenses incurred by a Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including for reasonable attorneys' and other professional fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors in the ordinary course of business.

6.6. *Expenses of Disbursing Agent.*

Except as otherwise ordered by the Bankruptcy Court, any reasonable and documented fees and expenses incurred by a Disbursing Agent acting in such capacity (including reasonable and documented attorneys' fees and expenses) on or after the Effective Date shall be paid in Cash by the Reorganized Debtors in the ordinary course of business.

6.7. *No Postpetition Interest on Claims.*

Except as otherwise specifically provided for in the Plan, the Confirmation Order, or another order of the Bankruptcy Court, postpetition interest shall not accrue or be paid on any Claims, and no Holder of a Claim shall be entitled to interest accruing on such Claim on or after the Petition Date.

6.8. *Delivery of Distributions.*

Subject to Bankruptcy Rule 9010, all distributions to any Holder of an Allowed Claim or Existing Common Interest shall be made to a Disbursing Agent, which shall transmit such distribution to the applicable Holders of Allowed Claims and Existing Common Interests as and when required by the Plan at (i) the address of such Holder on the books and records of the Debtors or their agents or (ii) at the address in any written notice of address change delivered to the Debtors or the Disbursing Agent, including any addresses including on any transfers of Claim Filed pursuant to Bankruptcy Rule 3001. In the event that any distribution to any Holder is returned as undeliverable, no further distributions shall be made to such Holder unless and until such Disbursing Agent is notified in writing of such Holder's then-current address, at which time, or as soon thereafter as reasonably practicable, all currently-due, missed distributions shall be made to such Holder without interest. Nothing herein shall require any Disbursing Agent to attempt to locate Holders of undeliverable distributions and, if located, assist such Holders in complying with section 6.19 of the Plan.

Distributions of the New Common Interests, New Secured Convertible Notes, New Secured Notes, New Warrants, or Contingent Payment Obligations to be distributed under the Plan pursuant to section 1145 of the Bankruptcy Code will be made through the facilities of DTC in accordance with DTC's customary practices; *provided* that such New Common Interests, New Secured Convertible Notes, New Secured Notes, New Warrants, or Contingent Payment Obligations will be issued in accordance with DTC book-entry procedures if the same are permitted to be held through DTC's book-entry system. To the extent the Holders entitled to distributions of New Common Interests, New Secured Convertible Notes, New Secured Notes, New Warrants, or Contingent Payment Obligations do not have a DTC-eligible

brokerage account and/or has not provided the Debtors or the Reorganized Debtors, as applicable, the required account details of their DTC-eligible brokerage account to receive such distribution through DTC, then the Reorganized Debtors shall take all such reasonable actions as may be required to cause the distributions of the New Common Interests, New Secured Convertible Notes, New Secured Notes, New Warrants, or Contingent Payment Obligations under the Plan on the books and records of the Reorganized Debtors or of the applicable agent, trustee, or transfer agent.

6.9. Distributions after Effective Date.

Distributions made after the Effective Date to (i) Holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims, (ii) Holders of Allowed Claims in Classes 1 and 2 on account of the Second Incremental Convertible Noteholders Equity Distribution, (iii) Holders of Allowed General Unsecured Claims in Class 8A on account of the GUC Contingent Payment Obligations in accordance with sections 5.23(b) and (c) hereof, (iv) Holders of Claims and Interests in Classes 11 and 12 in accordance with sections 5.23(b), (c), and (d) hereof, and (v) Holders of Allowed Claims in Class 8A in accordance with sections 5.23(b) and (c) hereof (including on account of the GUC Settlement Additional Equity Distribution Amount), shall, in each case, be deemed to have been made on the Effective Date.

6.10. Unclaimed Property.

One year from the later of (i) the Effective Date and (ii) the date that is ten (10) Business Days after the date of a distribution on an Allowed Claim or Existing Common Interest, all distributions payable on account of such Claim that are undeliverable or otherwise unclaimed shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and shall revert to the Reorganized Debtors or their successors or assigns, and all claims of any other Person (including the Holder of a Claim in the same Class) to such distribution shall be discharged and forever barred. The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any Holder of an Allowed Claim or Existing Common Interest other than by reviewing the Debtors' books and records, including the records of the Debtors' transfer agent(s), and the Bankruptcy Court's Filings.

6.11. Time Bar to Cash Payments.

Checks issued by a Disbursing Agent in respect of Allowed Claims shall be null and void if not negotiated within ninety (90) days after the date of first issuance thereof. Thereafter, the amount represented by such voided check shall irrevocably revert to the Reorganized Debtors, and any Claim in respect of such voided check shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary. Requests for re-issuance of any check shall be made to the applicable Disbursing Agent by the Holder of the Allowed Claim to which such check was originally issued, prior to the expiration of the ninety (90) day period.

6.12. Manner of Payment under Plan.

Except as otherwise specifically provided in the Plan, at the option of the Debtors or the Reorganized Debtors, as applicable, any Cash payment to be made hereunder by the Debtors or Reorganized Debtors may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtors.

6.13. Satisfaction of Claims.

Except as otherwise specifically provided in the Plan, any distributions and deliveries to be made on account of Allowed Claims or Existing Common Interests under the Plan shall be in complete and final satisfaction, release, settlement, and discharge of and exchange for such Allowed Claims or Existing Common Interests.

6.14. Fractional Stock and Notes.

No fractional New Common Interests shall be distributed. If any distributions of New Common Interests pursuant to the Plan would result in the issuance of a fractional share of New Common Interests, then the number of shares of New Common Interests to be issued in respect of such distribution will be calculated to one decimal place and rounded up or down to the closest whole share (with a half share or greater rounded up and less than a half share rounded down). The total number of shares of New Common Interests to be distributed in connection with the Plan shall be adjusted as necessary to account for the rounding provided for in this section 6.14. No consideration shall be provided in lieu of fractional shares that are rounded down. Neither the Reorganized Debtors nor the Disbursing Agent shall have any obligation to make a distribution that is less than one (1) share of New Common Interests. Fractional shares of New Common Interests that are not distributed in accordance with this section shall be returned to, and the ownership thereof shall vest in, the Reorganized Debtors. The New Secured Convertible Notes and New Secured Notes shall be issued in a denomination of \$1.00 and integral multiples of \$1.00 and any other amounts shall be rounded down.

6.15. Minimum Cash Distributions.

A Disbursing Agent shall not be required to make any distribution of Cash less than one hundred dollars (\$100) to any Holder of an Allowed Claim; *provided, however*, that if any distribution is not made pursuant to this section 6.15, such distribution shall be added to any subsequent distribution to be made on behalf of such Holder's Allowed Claim.

6.16. Setoffs and Recoupments.

(a) Each Debtor, Reorganized Debtor, or such entity's designee as instructed by such Debtor or Reorganized Debtor, may, but shall not be required to, set off or recoup against any Claim, and any distribution to be made pursuant to the Plan on account of such Claim, any and all claims, rights, and Causes of Action of any nature whatsoever that a Debtor, Reorganized Debtor, or its successors may have against the Holder of such Claim; *provided, however*, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by a Debtor, a Reorganized Debtor, or its successor of any claims, rights, or Causes of Action that a Debtor, Reorganized Debtor, or its successor or assign may possess against the Holder of such Claim.

(b) In no event shall any Holder of Claims be entitled to set off any such Claim against any claim, right, or Cause of Action of the Debtor or Reorganized Debtor, unless (i) the Debtors or the Reorganized Debtors, as applicable, have consented or (ii) such Holder has Filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to section 553 of the Bankruptcy Code or otherwise. Notwithstanding the foregoing, this paragraph does not create any new rights to setoff or recoupment that did not exist under any applicable law or agreement in existence prior to the Effective Date.

6.17. Allocation of Distributions between Principal and Interest.

Except as otherwise provided in the Plan and subject to section 6.7 of the Plan or as otherwise required by law (as reasonably determined by the Reorganized Debtors), distributions with respect to an Allowed Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for United States federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any, including accrued but unpaid interest.

6.18. No Distribution in Excess of Amount of Allowed Claim or Existing Common Interest.

Notwithstanding anything in the Plan to the contrary, no Holder of an Allowed Claim or Existing Common Interest shall receive, on account of such Allowed Claim or Existing Common Interest, Plan Distributions in excess of the Allowed amount of such Claim (plus any postpetition interest on such Claim solely to the extent permitted by the Plan) or Existing Common Interest.

6.19. Withholding and Reporting Requirements.

(a) *Withholding Rights.* In connection with the Plan, any Person issuing any instrument or making any distribution described in the Plan (or any other related agreement) or payment in connection therewith shall comply with all applicable withholding and reporting requirements imposed by any federal, state, local or non-U.S. taxing authority, and, notwithstanding any provision in the Plan to the contrary, any such Person shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of any distribution or payment to be made under or in connection with the Plan (or any other related agreement) to generate sufficient funds to pay applicable withholding taxes, using its own funds to pay any applicable withholding taxes and retaining a portion of the applicable distribution, withholding distributions pending receipt of information necessary or appropriate to facilitate such distributions or establishing any other mechanisms it believes are reasonable and appropriate. Any amounts withheld shall be deemed to have been distributed to and received by the applicable recipient for all purposes of the Plan. Notwithstanding the foregoing, each Holder of an Allowed Claim or Interest or any other Person that receives a distribution pursuant to the Plan or payment in connection therewith shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including, without limitation, income, withholding, and other taxes, on account of such distribution. Any party issuing any instrument or making any distribution pursuant to the Plan has the right, but not the obligation, to not make a distribution until such Holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

(b) *Forms.* Any party entitled to receive any property as an issuance or distribution under the Plan shall, upon request, deliver to the applicable Disbursing Agent or such other Person designated by the Reorganized Debtors (which Person shall subsequently deliver to the applicable Disbursing Agent any applicable Internal Revenue Service (“IRS”) Form W-8 or Form W-9 received) an appropriate IRS Form W-9 or an appropriate IRS Form W-8 and any other forms or documents reasonably requested by any Reorganized Debtor to reduce or eliminate any withholding required by any federal, state, or local taxing authority. If such request is made by the Reorganized Debtors, the Disbursing Agent, or such other Person designated by the Reorganized Debtors or a Disbursing Agent and such party fails to comply before the date that is 180 days after the request is made, the amount of such distribution shall irrevocably revert to the applicable Reorganized Debtor and any Claim in respect of such distribution shall be discharged and forever barred from assertion against such Reorganized Debtor or its respective property.

ARTICLE VII. PROCEDURES FOR DISPUTED CLAIMS.

7.1. *Disputed Claims Generally.*

Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed pursuant to the Plan or Final Order, including the Confirmation Order (when it becomes a Final Order) Allowing such Claim; *provided*, that prior to the Effective Date, the Debtors shall consult with the Equity Committee regarding the Allowance of any Disputed General Unsecured Claim in excess of \$1,000,000. Except insofar as a Claim is Allowed under the Plan or was Allowed prior to the Effective Date, the Debtors or Reorganized Debtors, as applicable, shall have and retain any and all rights and defenses such Debtor has with respect to any Disputed Claim. Any objections to Claims shall be served and Filed on or before the Claim Objection Deadline. All Disputed Claims not objected to by the end of such period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

7.2. *Objections to Claims.*

Except insofar as a Claim is Allowed under the Plan, the Debtors or Reorganized Debtors, as applicable, shall be entitled to object to Claims. Except as otherwise expressly provided in the Plan and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, after the Effective Date, the Reorganized Debtors shall have the authority to (i) file, withdraw, or litigate to judgment objections to Claims, (ii) settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court, and (iii) administer and adjust the Debtors' claims register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court.

7.3. *Estimation of Claims.*

The Debtor or Reorganized Debtors, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code, including in connection with the Disputed Claims Estimation Motion, regardless of whether the Debtors previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Debtors or Reorganized Debtors, as applicable, may pursue supplementary proceedings to object to the allowance of such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before twenty-one (21) days after the date on which such Claim is estimated.

7.4. *Adjustment to Claims Register Without Objection.*

Any duplicate Claim or Interest or any Claim or Interest that has been paid or satisfied, or any Claim that has been amended or superseded, may be adjusted or expunged on the claims register by the Debtors or Reorganized Debtors, as applicable, upon stipulation or any agreement in writing, including, without limitation, email correspondence, between the parties in interest without a Claims objection having to be Filed and without any further notice or action, order, or approval of the Bankruptcy Court.

7.5. Disallowance of Claims.

Any Claims held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed Disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or Reorganized Debtors, as applicable.

Except as otherwise provided herein or otherwise agreed by the Debtors or the Reorganized Debtors, as applicable, any and all Proofs of Claim Filed after the applicable Bar Date shall be deemed Disallowed and expunged as of the Effective Date without any further notice or action, order, or approval of the Bankruptcy Court, and Holders of such Claims or Interests may not receive any distributions on account of such Claims or Interests, unless the Bankruptcy Court shall have determined by a Final Order, on or before the Confirmation Hearing, that cause exists to extend the Bar Date as to such Proof of Claim on the basis of excusable neglect.

7.6. No Distributions Pending Allowance.

If an objection, motion to estimate, or other challenge to a Claim or Interest is Filed, no payment or distribution provided under the Plan shall be made on account of such Claim or Interest unless and until (and only to the extent that) such Disputed Claim or Interest becomes an Allowed Claim or Allowed Interest.

7.7. Distributions after Allowance.

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan, including the treatment provisions provided in Article IV and section 5.23 of the Plan. As soon as reasonably practicable after the date that the Final Order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the Holder of such Claim the distribution to which such Holder is entitled under the Plan as of the Effective Date.

7.8. Claim Resolution Procedures Cumulative.

All of the Claims, objection, estimation, and resolution procedures in the Plan are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently settled, compromised, withdrawn, or resolved in accordance with the Plan without further notice or Bankruptcy Court approval.

7.9. Single Satisfaction of Claims and Interests.

In no case shall the aggregate value of all property received or retained under the Plan on account of any Allowed Claim or Interest exceed 100 percent of the underlying Allowed Claim or Interest plus applicable interest required to be paid hereunder, if any.

7.10. *Amendments to Claims.*

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Claim may not be Filed or amended without the prior authorization of (i) the Bankruptcy Court or (ii) the Reorganized Debtors, with the consent of the Requisite Consenting Creditors (subject to the parties' rights and obligations under the RSA), and any other new or amended Claim or Proof of Claim Filed after the Effective Date shall be deemed Disallowed in full and expunged without any further action or notice to the Bankruptcy Court.

7.11. *Procedures for Reinstated Claims.*

(a) At least ten (10) days before the deadline to object to Confirmation of the Plan, the Debtors shall serve a notice on Holders of Other Secured Claims in Class 4 setting forth the proposed Cure Amount (if any) necessary to Reinstate such Claims. **Any objection by a Holder of an Other Secured Claim in Class 4 to the proposed Cure Amount must be Filed, served, and actually received by the Debtors within fourteen (14) days of the service of the notice of proposed Cure Amount, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court.** Any Holder of an Other Secured Claim in Class 4 that does not timely object to the notice of the proposed Cure Amount shall be deemed to have assented to the Reinstatement of its Claim and the proposed Cure Amount listed therein and shall be forever barred and enjoined from objecting to the Reinstatement of its Claim on the grounds that sections 1124(2)(A), (C), or (D) of the Bankruptcy Code have not been satisfied.

(b) To the extent there is a dispute relating to the Cure Amount, the Debtors may Reinstate the applicable Other Secured Claim prior to the resolution of the Cure Amount dispute; *provided* that the Debtors or the Reorganized Debtors, as applicable, reserve Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure Amount by the Holder of the applicable Other Secured Claim (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such Holder and the applicable Reorganized Debtor).

(c) Subject to resolution of any dispute regarding any Cure Amount, all Cure Amounts shall be satisfied on the Effective Date, or otherwise as soon as practicable thereafter, by the Debtors or Reorganized Debtors, as the case may be.

ARTICLE VIII. EXECUTORY CONTRACTS AND UNEXPIRED LEASES.

8.1. *General Treatment.*

(a) As of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Amount, and subject to section 8.5 of the Plan, all Executory Contracts and Unexpired Leases to which any of the Debtors are parties shall be deemed assumed, unless such contract or lease (i) was previously assumed or rejected by the Debtors, pursuant to Final Order of the Bankruptcy Court, (ii) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a motion to reject Filed by the Debtors on or before the Confirmation Date, or (iv) is specifically designated as a contract or lease to be rejected on the Schedule of Rejected Contracts.

(b) Subject to (i) satisfaction of the conditions set forth in section 8.1(a) of the Plan, (ii) resolution of any disputes in accordance with section 8.2 of the Plan with respect to the Executory Contracts or Unexpired Leases subject to such disputes, and (iii) the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions or rejections provided for in the Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each Executory Contract and Unexpired Lease assumed or assumed and assigned pursuant to the Plan shall vest in and be fully enforceable by the applicable Reorganized Debtor or assignee in accordance with its terms, except as modified by any provision of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

(c) To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto.

(d) The Debtors reserve the right, on or before the Effective Date, to amend the Schedule of Rejected Contracts or the Schedule of Assumed Contracts, with the consent of the Requisite Consenting Creditors (subject to the parties’ rights and obligations under the RSA), to add or remove any Executory Contract or Unexpired Lease; *provided* that the Debtors or Reorganized Debtors, as applicable, may amend the Schedule of Rejected Contracts or Schedule of Assumed Contracts to add or delete any Executory Contracts or Unexpired Leases after such date to the extent agreed with the relevant counterparties and the Requisite Consenting Creditors (subject to the parties’ rights and obligations under the RSA) and entry of an order of the Bankruptcy Court.

8.2. Determination of Assumption and Cure Disputes and Deemed Consent.

(a) The Debtors shall File, as part of the Plan Supplement, the Schedule of Rejected Contracts and the Schedule of Assumed Contracts. At least ten (10) days before the deadline to object to Confirmation of the Plan, the Debtors shall serve a notice on parties to Executory Contracts or Unexpired Leases to be assumed, assumed and assigned, or rejected reflecting the Debtors’ intention to potentially assume, assume and assign, or reject the contract or lease in connection with the Plan and, where applicable, setting forth the proposed Cure Amount (if any). If a counterparty to any Executory Contract or Unexpired Lease that the Debtors or Reorganized Debtors, as applicable, intend to assume or assume and assign is not listed on such a notice, the proposed Cure Amount for such Executory Contract or Unexpired Lease shall be deemed to be Zero Dollars (\$0). **Any objection by a counterparty to an Executory Contract or Unexpired Lease to the proposed assumption, assumption and assignment, or related Cure Amount must be Filed, served, and actually received by the Debtors within fourteen (14) days of the service of the assumption notice, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court.** Any counterparty to an Executory Contract or Unexpired Lease that does not timely object to the notice of the proposed assumption of such Executory Contract or Unexpired Lease shall be deemed to have assented to assumption of the applicable Executory Contract or Unexpired Lease notwithstanding any provision thereof that purports to (i) prohibit, restrict, or condition the transfer or assignment of such contract or lease; (ii) terminate or modify, or permit the termination or modification of, a contract or lease as a result of any direct or indirect transfer or assignment of the rights of any Debtor under such contract or lease or a change, if any, in the ownership or control to the extent contemplated by the Plan; (iii) increase, accelerate, or otherwise alter any obligations or liabilities of any Debtor or any Reorganized Debtor, as applicable, under such Executory Contract or Unexpired Lease; or (iv) create or impose a Lien upon any property or Asset of any Debtor or any Reorganized Debtor, as applicable. Each such provision shall be deemed to not apply to the assumption of such Executory Contract or Unexpired Lease pursuant to the Plan and counterparties to assumed Executory Contracts or Unexpired Leases that fail to object to the proposed assumption in accordance with the terms set forth in this section 8.2(a), shall forever be barred and enjoined from objecting to the proposed assumption or to the validity of such assumption (including with respect to any Cure Amounts or the provision of adequate assurance of future performance), or taking actions prohibited by the foregoing or the Bankruptcy Code on account of transactions contemplated by the Plan.

(b) If there is an Assumption Dispute pertaining to assumption of an Executory Contract or Unexpired Lease (other than a dispute pertaining to a Cure Amount), such dispute shall be heard by the Bankruptcy Court prior to such assumption being effective; *provided* that the Debtors or the Reorganized Debtors, as applicable, may settle any dispute regarding the Cure Amount or the nature thereof without any further notice to any party or any action, order, or approval of the Bankruptcy Court, except that such settlement shall be with the consent of the Requisite Consenting Creditors (subject to the parties' rights and obligations under the RSA).

(c) To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors may assume and/or assume and assign the applicable Executory Contract or Unexpired Lease prior to the resolution of the Assumption Dispute; *provided* that the Debtors or the Reorganized Debtors, as applicable, reserve Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure Amount by the non-Debtor party to such Executory Contract or Unexpired Lease (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and the applicable Reorganized Debtor).

(d) Subject to resolution of any dispute regarding any Cure Amount, all Cure Amounts shall be satisfied promptly, or otherwise as soon as practicable, by the Debtors or Reorganized Debtors, as the case may be, upon assumption or assumption and assignment, as applicable, of the underlying Executory Contracts and Unexpired Leases. Assumption or assumption and assignment, as applicable, of any Executory Contract or Unexpired Lease pursuant to the Plan, or otherwise, shall result in the full and final satisfaction, settlement, release, and discharge of any Claims or defaults, subject to satisfaction of the Cure Amount, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the effective date of the assumption or assumption and assignment, as applicable. Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed or assumed and assigned, as applicable, shall be deemed disallowed and expunged, without further notice to or action, order or approval of the Bankruptcy Court or any other Entity, upon the deemed assumption of such Executory Contract or Unexpired Lease.

8.3. *Rejection Claims.*

Unless otherwise provided by an order of the Bankruptcy Court, Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be Filed with the Bankruptcy Court by the later of thirty (30) days from (i) the date of entry of an order of the Bankruptcy Court approving such rejection, (ii) the effective date of the rejection of such Executory Contract or Unexpired Lease, and (iii) the Effective Date. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be Disallowed pursuant to the Confirmation Order or such other order of the Bankruptcy Court, as applicable, forever barred from assertion, and shall not be enforceable against, as applicable, the Debtors, the Estates, the Reorganized Debtors, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules, if any, or a Proof of Claim to the contrary.** Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and may be objected to in accordance with the provisions of section 7.2 of the Plan and applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

8.4. *Survival of the Debtors' Indemnification Obligations.*

(a) Notwithstanding anything in the Plan (including section 10.3 of the Plan), all Indemnification Obligations shall (i) remain in full force and effect, (ii) not be discharged, impaired, or otherwise affected in any way, including by the Plan, the Plan Supplement, or the Confirmation Order, (iii) not be limited, reduced or terminated after the Effective Date, and (iv) survive unimpaired and unaffected irrespective of whether such Indemnification Obligation is owed for an act or event occurring before, on or after the Petition Date; *provided* that the Reorganized Debtors shall not indemnify officers, directors, members, or managers, as applicable, of the Debtors for any claims or Causes of Action that are not indemnified by such Indemnification Obligation. All such obligations shall be deemed and treated as Executory Contracts to be assumed by the Debtors under the Plan and shall continue as obligations of the Reorganized Debtors. Any Claim based on the Debtors' Indemnification Obligations shall not be a Disputed Claim or subject to any objection, in either case, by reason of section 502(e)(1)(B) of the Bankruptcy Code.

(b) In accordance with the foregoing, the Reorganized Debtors shall cooperate with current and former officers, directors, members, managers, agents, or employees in relation to the Indemnification Obligations assumed under the Plan, including responding to reasonable requests for information and providing access to attorneys, financial advisors, accountants, and other professionals with knowledge of matters relevant to any such claim covered by an Indemnification Obligation assumed under the Plan, including any claim or Cause of Action arising under any state or federal securities laws.

8.5. *Employee Arrangements and Employee Obligations.*

(a) With respect to the KERPs, any amounts outstanding pursuant to the terms and conditions of the individual participants' KERP agreements shall be paid to such KERP participants within fifteen (15) days following the Effective Date, in accordance with the terms of such KERP agreements, consistent with the KERP Order and Supplemental KERP Order and in full satisfaction of the Debtors' obligations under such KERP agreements.

(b) Unless otherwise listed on the Schedule of Rejected Contracts, all employment agreements and offer letters shall be deemed assumed on the Effective Date as Executory Contracts pursuant to sections 365 and 1123 of the Bankruptcy Code (which assumption shall include any modifications to such employment agreements). Any such assumption shall not trigger any applicable change of control, immediate vesting, termination, or similar provisions therein, including, *e.g.*, any right to severance pay in connection with a change in control. No participant shall have rights under the assumed Employee Arrangements other than those existing immediately before such assumption (with respect to services performed prior to the Effective Date); *provided* that new rights may arise relating to the performance of services on or after the Effective Date pursuant to the terms of such assumed Employee Arrangements (*e.g.*, go-forward salary and bonus) and any vesting of rights under such Employee Arrangements will be recognized as continuous through the Effective Date (*e.g.*, annual bonus for calendar year 2023).

(c) As of the Effective Date, the Equity Incentive Plans will be terminated as to the issuance of any new equity awards under the plan and no new equity awards may be granted under the Equity Incentive Plans. Outstanding awards under the Equity Incentive Plans will be treated as follows:

- (i) *Restricted Stock.* Restricted Stock shall be Existing Common Interests treated in accordance with Class 12; *provided* that, as set forth in section 4.13 hereof, any New Common Interests distributed to Holders on account of Unvested Restricted Stock shall be subject to the same restrictions/vesting conditions applicable to such Unvested Restricted Stock as of the Effective Date; *provided*, that any New Common Interests

distributable to Holders of Unvested Restricted Stock which are later forfeited shall be distributed no less than annually, on a Pro Rata Equity Share basis, to the Holders of Claims and Interests in Class 11 and Class 12. Consistent with the Equity Incentive Plans, for any Vested Restricted Stock for which tax withholding obligations have not been satisfied, the Debtors may reduce the number of New Equity Interests that would otherwise be deliverable as Plan Distributions on account of such Restricted Stock and pay the equivalent cash amount to the applicable tax authorities in respect of such tax obligations.

- (ii) *Vested RSUs.* Vested RSUs shall be deemed settled as of immediately prior to the Effective Date and shall be Existing Common Interests treated in accordance with Class 12. Consistent with the Equity Incentive Plans, for any Vested RSUs for which tax withholding obligations have not been satisfied, the Debtors may reduce the number of New Equity Interests that would otherwise be deliverable as Plan Distributions on account of such Vested RSUs and pay the equivalent cash amount to the applicable tax authorities in respect of such tax obligations.
- (iii) *Unvested RSUs.* RSU Award Agreements shall be treated as Executory Contracts under the Plan and deemed assumed on the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code; *provided*, that the Unvested RSUs shall be the only outstanding RSUs under such RSU Award Agreements on the Effective Date (consistent with (b)(ii), above); *provided further*, that such RSU Award Agreements shall be subject to adjustment by the current Board of Directors of Debtor Core Scientific, Inc. such that the number of New Common Interests deliverable on account of Unvested RSUs, if and when such Unvested RSUs vest, shall be reduced such that it is equal to the proportion of New Common Interests that Holders of Existing Common Interests receive as Plan Distributions on account of their Existing Common Interests (in accordance with the treatment prescribed to Class 12 in section 4.13(b)(i) hereof) as compared to all New Common Interests distributed to all Holders of Claims and Interests under the Plan. Consistent with the Equity Incentive Plans, as and when the Unvested RSUs vest, to satisfy the holder's withholding tax obligations, the Debtors may reduce the number of New Common Interests that would otherwise be deliverable on account of the assumed RSU Award Agreement and pay the equivalent cash amount to the applicable tax authorities in respect of such tax obligations. On the Effective Date, the Reorganized Debtors shall issue and reserve as treasury stock New Common Interests in an amount sufficient to issue to Holders of Unvested RSUs assuming that all Unvested RSUs will vest, which New Common Interests shall be distributed to the Holders of Unvested RSUs if and when such Unvested RSUs vest; *provided*, that any New Common Interests distributable to Holders of Unvested RSUs which are later forfeited pursuant to the terms and conditions of the applicable RSU Award Agreement shall be distributed no less than annually, on a Pro Rata Equity Share basis, to the Holders of Claims and Interests in Class 11 and Class 12.
- (iv) *Stock Options.* Stock Option Award Agreements shall be treated as Executory Contracts under the Plan and deemed assumed on the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code; *provided* that such Stock Option Award Agreements shall be subject to adjustment by the current Board of Directors of Debtor Core Scientific, Inc. such that the aggregate number of New Common Interests deliverable if all Stock Options subject to the Stock Option Award Agreement were exercised shall be reduced such that it is equal to the proportion of New Common Interests that Holders of Existing Common Interests receive as Plan Distributions on

account of their Existing Common Interests (in accordance with the treatment prescribed to Class 12 in section 4.13(b)(i) hereof) as compared to all New Common Interests distributed to all Holders of Claims and Interests under the Plan. On the Effective Date, the Reorganized Debtors shall issue and reserve as treasury stock New Common Interests in an amount sufficient to issue to Holders of Stock Options (other than unvested Stock Options held by Persons whose service with the Debtors will terminate on the Effective Date) assuming that all such Stock Options are exercised, which New Common Interests shall be distributed to the Holders of Stock Options if and when such Stock Options are exercised; *provided*, that any New Common Interests distributable to Holders of Stock Options which are later forfeited pursuant to the terms and conditions of the applicable Stock Option Award Agreement shall be distributed no less than annually, on a Pro Rata Equity Share basis, to the Holders of Claims and Interests in Class 11 and Class 12.

(d) As of the Effective Date, the Debtors and the Reorganized Debtors shall continue to honor their obligations under all applicable Workers' Compensation Programs and in accordance with all applicable workers' compensation Laws in states in which the Reorganized Debtors operate. Any Claims arising under Workers' Compensation Programs shall be deemed withdrawn once satisfied without any further notice to or action, order, or approval of the Bankruptcy Court; *provided* that nothing in this Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable Law, including non-bankruptcy Law, with respect to any such Workers' Compensation Programs; *provided, further*, that nothing herein shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable state Law.

(e) With respect to any Employee Arrangements that are Executory Contracts and are not otherwise addressed in this section 8.5 or listed on the Schedule of Rejected Contracts, all such Employee Arrangements shall be deemed assumed on the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code; *provided*, that any Employee Arrangements that provide for or contemplate (in whole or in part) rights to Interests (whether actual or contingent) shall not be assumed pursuant to this section 8.5(e).

(f) With respect to any Employee Arrangements that are not Executory Contracts and are not otherwise addressed in this section 8.5, all such Employee Arrangements shall be continued in the ordinary course of business following the Effective Date; *provided*, that any Employee Arrangements that provide for or contemplate (in whole or in part) rights to Interests (whether actual or contingent) shall not be continued as a result of this section 8.5(f). For the avoidance of doubt, the Equity Incentive Plans will remain effective with respect to assumed RSU Award Agreements and Stock Option Award Agreements.

8.6. Insurance Policies/Claims Payable By Third Parties.

(a) All insurance policies to which any Debtor is a party as of the Effective Date, including any D&O Policy, shall be deemed to be and treated as Executory Contracts and shall be assumed by the applicable Debtors or the Reorganized Debtors and shall continue in full force and effect thereafter in accordance with their respective terms, and all such insurance policies shall vest in the Reorganized Debtors. Coverage for defense and indemnity under the D&O Policy shall remain available to all individuals within the definition of "Insured Persons" in any D&O Policy.

(b) In addition, after the Effective Date, all officers, directors, agents, or employees who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any D&O Policy (including any "tail" policy) for the full term of such policy regardless of whether such officers, directors, agents, and/or employees remain in such positions after the Effective Date, in each case, to the extent set forth in such policies.

(c) In addition, after the Effective Date, the Reorganized Debtors shall not terminate or otherwise reduce the coverage under any D&O Policy (including any “tail policy”) in effect as of the Petition Date, and any current and former directors, officers, members, managers, agents or employees of any of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such D&O Policy for the full term of such policy regardless of whether such members, managers, directors, and/or officers remain in such positions after the Effective Date to the extent set forth in such policies.

(d) In the event that the Debtors determine that an Allowed Claim is covered in full or in part under one of the Debtors’ insurance policies, no distributions under the Plan shall be made on account of such Allowed Claim unless and until, and solely to the extent that, (i) the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy, and (ii) an insurer authorized to issue a coverage position under such insurance policy, or the agent of such insurer, issues a formal determination, which the Debtors in their sole discretion do not contest, that coverage under such insurance policy is excluded or otherwise unavailable for losses arising from such Allowed Claim. Any proceeds available pursuant to one of the Debtors’ insurance policies shall reduce the Allowed amount of a Claim on a dollar-for-dollar basis. To the extent that one or more of the Debtors’ insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers’ agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court. If an applicable insurance policy has a SIR, the Holder of an Insured Litigation Claim shall have an Allowed General Unsecured Claim or a Section 510(b) Claim, as applicable, against the applicable Debtor’s Estate solely up to the amount of the SIR that may be established upon the liquidation of the Insured Litigation Claim. Such SIR shall be considered satisfied pursuant to the Plan through allowance of the General Unsecured Claim or Section 510(b) Claim, as applicable, solely in the amount of the applicable SIR, if any; *provided*, however that nothing herein obligates the Debtors or the Reorganized Debtors to otherwise satisfy any SIR under any insurance policy. Any recovery on account of the Insured Litigation Claim in excess of the SIR established upon the liquidation of the Claim shall be recovered solely from the Debtors’ insurance coverage, if any, and only to the extent of available insurance coverage and any proceeds thereof. Nothing in this Plan shall be construed to limit, extinguish, or diminish the insurance coverage that may exist or shall be construed as a finding that liquidated any Claim payable pursuant to an insurance policy. Nothing herein relieves any Entity from the requirement to timely File a Proof of Claim by the applicable claims bar date.

8.7. Intellectual Property Licenses and Agreements.

All intellectual property contracts, licenses, royalties, or other similar agreements to which the Debtors have any rights or obligations in effect as of the date of the Confirmation Order shall be deemed and treated as Executory Contracts pursuant to the Plan and shall be assumed by the respective Debtors and Reorganized Debtors and shall continue in full force and effect unless any such intellectual property contract, license, royalty, or other similar agreement otherwise is specifically rejected pursuant to a separate order of the Bankruptcy Court or is the subject of a separate rejection motion Filed by the Debtors in accordance with the Plan. Unless otherwise noted hereunder, all other intellectual property contracts, licenses, royalties, or other similar agreements shall vest in the Reorganized Debtors and the Reorganized Debtors may take all actions as may be necessary or appropriate to ensure such vesting as contemplated herein.

8.8. *Assignment.*

To the extent provided under the Bankruptcy Code or other applicable law, any Executory Contract or Unexpired Lease transferred and assigned hereunder shall remain in full force and effect for the benefit of the transferee or assignee in accordance with its terms, notwithstanding any provision in such Executory Contract or Unexpired Lease (including, without limitation, those of the type set forth in section 365(b)(2) of the Bankruptcy Code) that prohibits, restricts, or conditions such transfer or assignment. To the extent provided under the Bankruptcy Code or other applicable law, any provision that prohibits, restricts, or conditions the assignment or transfer of any such Executory Contract or Unexpired Lease or that terminates or modifies such Executory Contract or Unexpired Lease or allows the counterparty to such Executory Contract or Unexpired Lease to terminate, modify, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon any such transfer and assignment, constitutes an unenforceable anti-assignment provision and is void and of no force or effect.

8.9. *Modifications, Amendments, Supplements, Restatements, or Other Agreements.*

Unless otherwise provided herein or by separate order of the Bankruptcy Court, each Executory Contract and Unexpired Lease that is assumed shall include any and all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such Executory Contract or Unexpired Lease, without regard to whether such agreement, instrument, or other document is listed in the Schedule of Assumed Contracts.

8.10. *Reservation of Rights.*

(a) Neither the exclusion nor inclusion of any contract or lease by the Debtors on any exhibit, schedule, or other annex to the Plan or in the Plan Supplement, nor anything contained in the Plan, will constitute an admission by the Debtors that any such contract or lease is or is not in fact an Executory Contract or Unexpired Lease or that the Debtors or the Reorganized Debtors or their respective Affiliates has any liability thereunder.

(b) Except as otherwise provided in the Plan, nothing in the Plan will waive, excuse, limit, diminish, or otherwise alter any of the defenses, Claims, Causes of Action, or other rights of the Debtors or the Reorganized Debtors under any executory or non-Executory Contract or any unexpired or expired lease.

(c) Nothing in the Plan will increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtors or the Reorganized Debtors under any executory or non-Executory Contract or any unexpired or expired lease.

(d) If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection under the Plan, the Debtors or Reorganized Debtors, as applicable, shall have sixty (60) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease by filing a notice indicating such altered treatment.

9.2. Timing of Conditions Precedent.

Notwithstanding when a condition precedent to the Effective Date occurs, unless otherwise specified in the Plan or any Plan Supplement document, for the purposes of the Plan, such condition precedent shall be deemed to have occurred simultaneously upon the completion of the applicable conditions precedent to the Effective Date; *provided* that to the extent a condition precedent (the “**Prerequisite Condition**”) may be required to occur prior to another condition precedent (a “**Subsequent Condition**”) then, for purposes of the Plan, the Prerequisite Condition shall be deemed to have occurred immediately prior to the applicable Subsequent Condition regardless of when such Prerequisite Condition or Subsequent Condition shall have occurred.

9.3. Waiver of Conditions Precedent.

(a) Except as otherwise provided herein, all actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously and no such action shall be deemed to have occurred prior to the taking of any other such action. (b) The stay of the Confirmation Order pursuant to Bankruptcy Rule 3020(e) shall be deemed waived by and upon the entry of the Confirmation Order, and the Confirmation Order shall take effect immediately upon its entry.

9.4. Effect of Failure of a Condition.

If the Effective Date does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall (i) constitute a waiver or release of any Claims by or against or any Interests in the Debtors, (ii) prejudice in any manner the rights of any Person, or (iii) constitute an admission, acknowledgement, offer, or undertaking by the Debtors or any other Person.

ARTICLE X. EFFECT OF CONFIRMATION OF PLAN.

10.1. *Vesting of Assets in the Reorganized Debtors.*

Except as otherwise provided in the Plan or any Plan Document, on the Effective Date, pursuant to section 1141(b) and (c) of the Bankruptcy Code, all Assets of the Estates, including all claims, rights, and Causes of Action and any property acquired by the Debtors under or in connection with the Plan, shall vest in each respective Reorganized Debtor free and clear of all Liens, Claims, charges, or other interests or encumbrances unless expressly provided otherwise by the Plan or Confirmation Order. In addition, all rights, benefits, and protections provided to any of the Creditors' Committee, the Debtors, or their Estates pursuant to the Plan, the Plan Supplement, or the Confirmation Order including, but not limited to, the release, exculpation, and injunction provisions provided in Article X of the Plan, shall vest in each respective Reorganized Debtor unless expressly provided otherwise by the Plan or the Confirmation Order. On and after the Effective Date, except as otherwise provided herein, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and pursue, compromise or settle any Claims (including any Administrative Expense Claims), Interests, and Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. Without limiting the foregoing, the Reorganized Debtors may pay the charges that they incur on or after the Effective Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court.

10.2. *Binding Effect.*

As of the Effective Date, the Plan shall bind all Holders of Claims against and Interests in the Debtors and their respective successors and assigns, notwithstanding whether any such Holders were (a) Impaired or Unimpaired under the Plan, (b) deemed to accept or reject the Plan, (c) failed to vote to accept or reject the Plan, or (d) voted to reject the Plan.

10.3. *Discharge of Claims and Termination of Interests.*

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or in a contract, instrument, or other agreement or document executed pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in full and final satisfaction, settlement, release, and discharge, effective as of the Effective Date, of all Claims, Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and interests in, the Debtors or any of their Assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not (i) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (ii) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (iii) the Holder of such a Claim or Interest has voted to accept the Plan. Any default or "event of default" by the Debtors with respect to any Claim or Interest that existed immediately before or on account of the filing of the Chapter 11 Cases shall be deemed cured (and no longer continuing) as of the Effective Date with respect to a Claim that is Unimpaired by the Plan. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring.

10.4. *Term of Injunctions or Stays.*

Unless otherwise provided herein or in a Final Order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Cases under section 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay. For the avoidance of doubt, the Trading Order shall remain enforceable beyond the Effective Date. The Trading Order has no applicability or effect with respect to the trading of New Common Interests, New Secured Convertible Notes, or New Secured Notes.

10.5. *Injunction.*

The Debtors reserve the right (after consultation with the Creditors' Committee) to revoke or withdraw the Plan prior to the Effective Date as to any or all of the Debtors. 12.8. *Severability of Plan Provisions.*

Capitalized terms used herein but not otherwise defined shall have the meanings given to such terms in the Plan.

Issuer	Reorganized Parent (the " Issuer ")
Warrant Agent	Computershare Trust Company, N.A.
Tranche 1 Warrants	A number of Tranche 1 warrants (the " Tranche 1 Warrants ") exercisable for the purchase of up to thirty percent (30%) of the New Common Interests, assuming no exercise of the Tranche 2 Warrants (as defined below) (subject to dilution to the extent of the exercise of the Tranche 2 Warrants).
Tranche 2 Warrants	A number of Tranche 2 warrants (the " Tranche 2 Warrants ") and, together with the Tranche 1 Warrants, the " New Warrants ") initially exercisable for the purchase of up to twenty percent (20%) of the New Common Interests, on a fully diluted basis.
Exercisability	<p><i>Tranche 1 Warrants:</i> Exercisable at any time following the Effective Date of the Plan (the "Issuance Date") through the applicable expiration date.</p> <p><i>Tranche 2 Warrants:</i> Exercisable at any time following a TEV Triggering Event through the applicable expiration date.</p> <p>"TEV Triggering Event" means the Issuer having a Total Enterprise Value (definition to be agreed) of or greater than \$2,500,000,000, calculated based on a 20-consecutive trading day VWAP of the New Common Interests.</p>
Exercise Price	<p><i>Tranche 1 Warrants:</i> The Tranche 1 Warrants will have an initial exercise price per share equal to the equity value of the Issuer implied by a Total Enterprise Value of \$1,875,000,000 (the "Tranche 1 Initial Exercise Price").</p> <p><i>Tranche 2 Warrants:</i> The Tranche 2 Warrants will have an exercise price per share equal to \$0.01 (the "Tranche 2 Exercise Price") and, each of the Tranche 1 Initial Exercise Price (as may be adjusted pursuant to the anti-dilution provisions below) and the Tranche 2 Exercise Price, an "Exercise Price").</p>

Payment of Exercise Price	<p>The issuance of New Common Interests pursuant to the exercise of the New Warrants shall be subject to payment in full by the holder of such New Warrant of the applicable Exercise Price by delivery of a certified or official bank check or by wire transfer of immediately available funds in the amount of the aggregate Exercise Price for such New Common Interests.</p> <p>Alternatively, each Tranche 2 Warrant may be exercised on a "cashless" basis pursuant to which a holder shall be entitled to receive for each Tranche 2 Warrant exercised, a number of New Common Interests equal to such number of New Common Interests with respect to such Tranche 2 Warrant then being exercised multiplied by a fraction equal to (x) the Fair Market Value (as of the exercise date) of one New Common Interest, minus the applicable Exercise Price, divided by (y) such Fair Market Value. The definition of "Fair Market Value" shall be agreed among the Company, the Equity Committee, and the Requisite Consenting Creditors.</p>

Anti-Dilution

The Tranche 1 Initial Exercise Price, in the case of the Tranche 1 Warrants, and the number of New Common Interests for which the Tranche 2 Warrants are exercisable, in the case of the Tranche 2 Warrants, will be subject to customary anti-dilution provisions for (i) stock splits, (ii) dividends consisting of New Common Interests, (iii) other stock subdivisions, combinations or reclassifications, (iv) rights offerings at discount, (v) tender offers or exchange offers at a premium, (vi) dividends or distributions to all holders of New Common Interests of capital stock (other than New Common Interests), indebtedness, rights or warrants to purchase capital stock (other than New Common Interests) or property or cash, (vii) mergers or consolidations and (viii) spin-offs, in each case, including customary exceptions and except any transaction constituting a Change of Control Event (as defined below) (such transactions in clauses (i) – (viii), each a “Specified Transaction”). For the avoidance of doubt, the Tranche 1 Initial Exercise Price shall not be adjusted in the event New Common Interests are issued as a result of the exercise of the Tranche 2 Warrants.

Notices of Certain Events

If the Issuer establishes a record date arising from any Specified Transaction that requires an adjustment to the New Warrants, the Issuer shall, to the extent permissible and practicable, use commercially reasonable efforts to notify the holders of New Warrants at least 10 days prior to such record date. In addition, at least 20 days before the date of any Specified Transaction requiring an adjustment to the New Warrants (other than a cash dividend), the Issuer shall, to the extent permissible and practicable, use commercially reasonable efforts to notify the holders of New Warrants of such event.

Change of Control/Black-Scholes Protection

For the Tranche 1 Warrants, in a Change of Control Event, Black-Scholes protections will apply with respect to any component of consideration payable in such Change of Control Event that is not freely tradeable stock that is listed on a national securities exchange (such as freely tradeable, listed stock, “Stock Consideration”). With respect to the component of any consideration payable in respect thereof that is Stock Consideration, the exercise price of the Tranche 1 Warrants shall be adjusted and the Tranche 1 Warrants shall be assumed by the purchaser or continuing company or applicable parent entity thereof, and will remain outstanding as obligations thereof after the applicable transaction date.

For the Tranche 2 Warrants, in a Change of Control Event, Black-Scholes protections will apply with respect to any component of consideration payable in such Change of Control Event that is not Stock Consideration, as if the Tranche 2 Warrants had a per share exercise price calculated as if the Company had an enterprise value of \$2,100,000,000. With respect to the component of any consideration payable in respect thereof that is Stock Consideration in such Change of Control Event, the number of new Common Interests for which the Tranche 2 Warrants are exercisable and the exercise price shall be adjusted to a non-penny warrant as if the Company had an enterprise value of \$2,100,000,000, and the Tranche 2 Warrants shall be assumed by the purchaser or continuing company or applicable parent entity thereof and will remain outstanding as obligations thereof after the applicable transaction date. The calculation of applicable Black-Scholes protections will only apply to those Tranche 2 Warrants remaining outstanding at the time of the Change of Control Event (*i.e.*, while initially exercisable for the purchase of up to twenty percent (20%) of the New Common Interests on a fully diluted basis, this 20% figure shall be subject to reduction for any Tranche 2 Warrants exercised prior to the Change of Control Event).

“Change of Control Event” means the occurrence of any of the following: (i) the sale, lease, transfer, conveyance or other disposition (other than by way of merger, amalgamation or consolidation), in one or a series of related transactions, of all or substantially all of the assets of the Issuer and its subsidiaries taken as a whole to any Person or (ii) the consummation of any purchase offer, tender offer or exchange offer, or the Issuer consummates a stock or share purchase agreement or other business combination (including any merger or consolidation) the result of which is that any Person becomes the beneficial owner, directly or indirectly, of more than 50% of the voting stock of the Issuer, measured by voting power rather than number of shares.

“Person” means an individual or corporation, partnership, trust, incorporated or unincorporated association, joint venture, limited liability company, joint stock company, government (or an agency or subdivision thereof) or other entity of any kind.

For purposes of the Black-Scholes protections described herein, volatility shall be the lower of (i) sixty percent (60%) and (ii) the six-month realized volatility of the New Common Interests prior to the applicable transaction date. Further, a calculation agent acceptable to the Requisite Consenting Creditors will be named in the New Warrant Agreement to make the required Black-Scholes calculations.

Section 1145

The New Warrants, and the New Common Interests issuable thereunder, will be exempt from registration under the Securities Act of 1933 pursuant to Section 1145 of the Bankruptcy Code.

Non-Voting; No Dividends

The New Warrants shall not have any rights with respect to cash dividends and will not have any voting rights, in each case, unless and until exercised for New Common Interests, in which case holders will have the same rights to cash dividends and voting rights as holders of New Common Interests.

Amendments

Other than a Specified Transaction, Change of Control Event, or other transaction set out above, including, for the avoidance of doubt, the Black-Scholes protections, that requires an adjustment to the New Warrants, any amendment to the New Warrant Agreement shall require the approval of the holders of not less than a majority of the New Warrants; provided that (i) absent the written consent of each Holder of New Warrants affected thereby, the New Warrant Agreement shall not be amended in respect of an increase of the Exercise Price or revising the expiration date of each New Warrant to an earlier date and (ii) the Issuer and Warrant Agent may amend the New Warrant Agreement without holder consent for certain customary matters such as curing ambiguities and correcting a manifest error.

Other Terms and Conditions

As are customary for transactions of this nature, including, but not limited to, satisfactory documentation, including a New Warrant Agreement.

I. EXECUTIVE SUMMARY

Core Scientific, Inc. and its direct and indirect subsidiaries that are debtors and debtors in possession in the above captioned chapter 11 cases (collectively, the “**Debtors**” and, on or after the Effective Date, the “**Reorganized Debtors**”) prepared and filed the Plan, which updated the Third Amended Plan (as defined below) to incorporate the terms of a global settlement (the “**GUC Settlement**”)⁴ between (i) the Debtors, (ii) the Creditors’ Committee and the members thereof, (iii) B. Riley Commercial Capital, LLC, and BRF Finance Co., LLC (and any assignees thereof) (“**B. Riley**”), which is the Debtors’ largest unsecured creditor, (iv) the Ad Hoc Noteholder Group, and (v) the Equity Committee following a successful mediation held before the Honorable Judge Marvin Isgur (the “**GUC Mediation**”).

This supplement to the Disclosure Statement (this “**Supplement**”) describes changes made to the Plan to reflect the GUC Settlement, the impact on estimated recoveries, and other important disclosures.

Please note that the Voting Deadline has been extended from December 13, 2023 to **January 11, 2024 at 5:00 p.m. (prevailing Central Time)** (the “**Voting Deadline**”) for all Classes of Claims or Interests:

³ Although Foundry is not party to the RSA, the Debtors and Foundry have reached an agreement in principle that, subject to the Court’s approval and the occurrence of the Effective Date, would resolve Foundry’s claims. As part of such settlement, Foundry would agree to support the Plan.

⁴ See *Joint Notice of Agreement in Principle Regarding Terms of Global Plan Settlement Between the Debtors, Creditors’ Committee, Ad Hoc Noteholder Group, Equity Committee, Equity Committee Members, and B. Riley* (Docket No. 1574).

Holders of Claims (but not Holders of Existing Common Interests in Class 12) that (i) have already submitted a Ballot and (ii) do not wish to change their vote, do **not** need to submit a new Ballot. However, any Holder of Claims that (x) has not submitted a Ballot or (y) has submitted a Ballot but now wishes to change its vote, must submit its Ballot so that it is received by the Voting Agent on or before the Voting Deadline.

Any Holder of an Existing Common Interest in Class 12 that wishes to vote on the Plan, must submit a Ballot so that it is received by the Voting Agent on or before the Voting Deadline **regardless of whether such Holder has previously submitted a Ballot. Any Ballots previously submitted by Holders in Class 12 will not be counted.**

Any Holder or Other Beneficial Owner that has submitted an Opt-Out Form will not be required to submit an additional Opt-Out Form to render such Holder's or Other Beneficial Owner's opt out effective.

A. Third Amended Plan and Solicitation

On November 17, 2022, the Bankruptcy Court entered an order (Docket No. 1447) (the "**Disclosure Statement Order**") that, among other things, conditionally approved the *Disclosure Statement for Third Amended Joint Chapter 11 Plan of Core Scientific, Inc. and Its Affiliated Debtors* (Docket No. 1439) (including any exhibits and schedules thereto and as may be modified, amended, or supplemented, the "**Disclosure Statement**"). The Disclosure Statement is incorporated herein by reference.

The Debtors thereafter commenced solicitation of the *Third Amended Joint Chapter 11 Plan of Core Scientific, Inc. and Its Affiliated Debtors*, dated November 16, 2023 (Docket No. 1438) (including any exhibits and schedules thereto and as may be modified, amended, or supplemented, the "**Third Amended Plan**") by mailing copies of the applicable Ballot, the Disclosure Statement, the Third Amended Plan, and other approved solicitation materials to Holders of Claims or Interests in Class 1 (April Convertible Notes Secured Claims), Class 2 (August Convertible Notes Secured Claims), Class 3 (Miner Equipment Lender Secured Claims), Class 5 (M&M Lien Secured Claims), Class 6 (Secured Mortgage Claims), Class 8 (General Unsecured Claims), Class 11 (Section 510(b) Claims), and Class 12 (Existing Common Interests).

On December 4, 2023, the Debtors posted a presentation (along with an accompanying webcast) summarizing certain aspects of the Plan and Disclosure Statement on the Debtors' website and filed such presentation with the Bankruptcy Court (Docket No. 1502, Exhibit A), which is incorporated herein by reference.

B. Plan Modifications Related to the GUC Settlement

On December 18, 2023, the parties to the GUC Settlement reached an agreement in principle with respect to a global settlement of all disputes, claims, and controversies between them (except for any claims (i) held by the Debtors against Sphere 3D Corp. or (ii) held by Sphere 3D Corp. against the Debtors), including those related to the Third Amended Plan and the settlements contemplated thereunder relating to valuation and the treatment of Claims, among other issues. On December 26, 2023, the Debtors filed the Plan reflecting the terms of the GUC

Settlement and certain other modifications described herein (collectively, the “**Plan Modifications**”). An updated table summarizing the treatment, classification, and impairment of Claims or Interests is attached hereto as **Exhibit B** (the “**Plan Treatment Summary**”). A redline reflecting the Plan Modifications, as compared to the Third Amended Plan, is attached hereto as **Exhibit D**. A supplemental disclosure of certain tax consequences associated with the Plan Modifications is also attached hereto as **Exhibit E** (the “**Tax Disclosures**”). An updated chart summarizing the Debtors’ estimated capital structure upon the Effective Date, assuming an Effective Date of January 22, 2024, is attached hereto as **Exhibit F**. An updated chart detailing the percentage of New Common Interests the Debtors estimate will be held by various parties as of the Effective Date, based on certain assumptions, is attached hereto as **Exhibit G**. Exhibits A through G shall replace and supersede the applicable Exhibit or section of the Disclosure Statement.

The GUC Settlement includes the following terms and conditions:

1. Creation of a Convenience Class

The Third Amended Plan placed all Holders of unsecured claims in Class 8. The Plan now divides General Unsecured Claims into two classes— Class 8A General Unsecured Claims and Class 8B Convenience Claims. Pursuant to the Plan, any Allowed General Unsecured Claims that are equal to or less than \$10,000 (inclusive of postpetition interest) (the “**Convenience Claims**”) will now be treated in Class 8B and will receive a Cash distribution equal to the Holder’s Allowed Convenience Claim (in lieu of the treatment provided to Holders of Allowed General Unsecured Claims in Class 8A). Each Allowed Convenience Claim is identified and set forth on the Schedule of Allowed General Unsecured Claims. In addition, each Holder of an Allowed General Unsecured Claim in Class 8A set forth on the Schedule of Allowed General Unsecured Claims has the option to elect on its Ballot to be treated as a Convenience Claim by having its Allowed General Unsecured Claim have its claim irrevocably reduced to \$10,000 (inclusive of any postpetition interest) (such election the “**Convenience Claim Election**”). A Holder can make the Convenience Claim Election, by timely submitting such Holder’s Class 8A Ballot and checking the box in item 4 of such Ballot titled “Convenience Claim Election”.

If a Holder of a General Unsecured Claim properly makes the Convenience Claim Election, such Holder will not be entitled to any other recovery or distribution on account of its General Unsecured Claim in Class 8A. If a Holder of a General Unsecured Claim that is a Disputed Claim attempts to make the Convenience Claim Election, such Holder’s Convenience Claim Election will be ineffective and such Holder’s Claim will be treated as a General Unsecured Claim upon resolution of the dispute.

The Debtors estimate that the aggregate amount of cash payable to Holders of Convenience Claims in Class 8B will be no greater than \$200,000.

2. Treatment of General Unsecured Claims

As a result of the GUC Settlement, in addition to receiving New Common Interests with a value, based on Plan Value, equal to one-hundred percent (100%) of such Holder's Allowed General Unsecured Claim (as provided in the Third Amended Plan), each Holder of an Allowed General Unsecured Claim in Class 8A will receive:

- its Pro Rata Share of New Common Interests with an aggregate value, based on Plan Value, equal to \$3,296,039 minus the product of (x) the aggregate Allowed Convenience Claims and (y) the quotient of (i) the aggregate number of New Common Interests issued to Holders of Allowed April Convertible Notes Secured Claims and Allowed August Convertible Notes Secured Claims and (ii) the maximum number of New Common Interests issued, treated as if issued, and issued and reserved as treasury stock under the Plan (such quotient, the "**Convertible Noteholders Convenience Claims Ratio**", and collectively, the "**GUC Settlement Additional Equity Distribution Amount**");⁵ and
- its Pro Rata Share of the GUC Contingent Payment Obligations (defined and described below).

Moreover, as a result of the GUC Settlement, the Debtors settled certain Holders' Allowed General Unsecured Claim amount, as reflected on the revised Schedule of Allowed General Unsecured Claim.

Pursuant to the GUC Contingent Payment Obligations, Holders of General Unsecured Claims in Class 8A shall receive the right to receive additional distributions of New Common Interests under certain circumstances on the terms set forth in the GUC Contingent Obligations Term Sheet attached to the Plan as **Exhibit L** (the "**GUC Contingent Payment Obligations**"). Below is a summary of the terms of GUC Contingent Payment Obligations.

Beginning on the Effective Date through the 18-month anniversary thereof (such anniversary, the "**Testing Date**" and, such period, the "**Testing Period**"), Reorganized Parent will pay each Holder of a General Unsecured Claim its Pro Rata Share of New Common Interests equal to the lesser of such Holder's Pro Rata Share of (i) the GUC Contingent Payment Obligations Maximum Amount and (ii) the difference between (a) the GUC Equity Distribution⁶ at Plan Value and (b) the value of the GUC Equity Distribution as implied by the volume weighted average of the closing price of the GUC Equity Distribution during the sixty (60) trading days prior to the Testing Date (the "**Subject Amount**"). If the GUC Contingent Payment Obligations have not been terminated prior to the Testing Date, the GUC Contingent Payment Obligations shall be payable within forty-five (45) days following the Testing Date.

If the fair market value of the GUC Equity Distribution trades above the value implied by Plan Equity Value during any twenty (20) trading days over any thirty (30) day trading period prior to the Testing Date, then the GUC Contingent Payment Obligation will be immediately extinguished and the Reorganized Parent will not owe any amounts on account of such obligation.

⁵ Based on current estimates, the Debtors expect the product of (i) the aggregate Allowed Convenience Claims and (ii) the Convertible Noteholders Convenience Claims Ratio to be less than \$50,000.

⁶ The "GUC Equity Distribution" is the total value of New Common Interests distributed to Holders of Allowed General Unsecured Claims pursuant to the Plan.

To the extent a Disputed Class 8A Claim is Allowed subsequent to the Effective Date, the Holder of such Allowed Claim shall receive its Pro Rata Share of the GUC Contingent Payment Obligations pursuant to the terms herein, regardless as to whether the GUC Contingent Payment Obligations have previously terminated. For the avoidance of doubt, (i) the terms of the GUC Contingent Obligation shall come into effect, and the Testing Period shall begin, on the date such Holder of an Allowed General Unsecured Claim receives its GUC Equity Distribution and (ii) the Testing Date shall not be amended, revised, or otherwise modified for any GUC Contingent Obligation delivered to such Holder of an Allowed Class 8A Claim.

Pursuant to Section 5.23(c) of the Plan, if the GUC Contingent Payment Obligation has (i) not been terminated and (ii) is due and payable, then the Subject Amount shall be distributed by the Reorganized Parent from New Common Interests that have been treated as if issued as Disputed Class 8A Claim Shares and Disputed Class 11 Claim Shares following the disallowance, in whole or in part, of Disputed Class 8A Claims and/or Disputed Class 11 Claims. If the GUC Contingent Payment Obligations are terminated, the New Common Interests that would have been otherwise distributed under the GUC Contingent Payment Obligations shall be distributed to Holders of Claims or Interests in Classes 11 and 12 as and when Disputed Claims are resolved, in accordance with section 5.23 of the Plan.

For the avoidance of doubt, Holders of Class 3 Miner Equipment Lender Secured Claims that elect on their Ballot either the Miner Equipment Lender Treatment Election 1 or Miner Equipment Lender Treatment Election 2 shall waive their recovery on account of their Allowed Miner Equipment Lender Deficiency Claim and therefore receive no treatment as a Class 8A General Unsecured Claim.

3. Change in Calculation and Distribution of New Common Interests to Convertible Noteholders in Classes 1 & 2

Under the Third Amended Plan, the formerly defined term “Incremental Convertible Noteholders Equity Distribution” was to be distributed to Holders of Convertible Notes Secured Claims and calculated based on the entry of a Final Order regarding allowance or disallowance of (i) the Ad Hoc Equity Group Substantial Contribution Claim and (ii) the Equity Committee Professional Fee Claims of the Equity Committee. The distribution of New Common Interests would occur upon the entry of a Final Order approving the Professional Fee Claims of the Equity Committee as such Final Order would be entered after a Final Order allowing or disallowing the Ad Hoc Equity Group’s Substantial Contribution Claim.

Under the Plan, these New Common Interests will be distributed in two tranches. A modification was made to ensure that the Holders of Convertible Notes Secured Claims receive the applicable equity distribution upon the entry of a Final Order determining of allowed fees in each case. The First Incremental Convertible Noteholders Equity Distribution shall equal the amount of the Ad Hoc Equity Group Substantial Contribution Claim and shall be distributed on the Effective Date as such amount is expected to be determined by such date. The Second Incremental Convertible Noteholders Equity Distribution shall be equal to the amount by which the Final Equity Committee Fees Amount exceeds \$9,914,000 minus the product of the aggregate Allowed Convenience Claims and the Convertible Noteholders Convenience Claims Ratio shall be distributed upon the entry of a Final Order approving the Final Equity Committee Fees Amount.⁷

⁷ The Equity Committee professionals shall have 10 days after the entry of the Confirmation Order to file their final fee applications.

4. Reduction in Amount of New Common Interests Distributed to Convertible Noteholders' Claims in Classes 1 & 2

To provide a portion of the GUC Settlement Additional Equity Distribution Amount to Holders of General Unsecured Claims in Class 8A, the Second Incremental Convertible Noteholders Equity Distribution Amount payable under the Plan to Holders of April Convertible Notes Secured Claims and August Convertible Notes Secured Claims in Classes 1 and 2 shall be approximately \$3.2 million lower than the formulation under the Third Amended Plan. If, however, the Final Equity Committee Fees Amount is less than \$9,914,000 minus the Convenience Claim Adjustment, the remainder of New Common Interests necessary to satisfy the GUC Settlement Additional Equity Distribution Amount will come out of the Residual Equity Pool (Class 11 and 12 recoveries).

5. Reduction of Value in Residual Equity Pool Affecting Distributions to Holders of Allowed Claims in Class 11 and Interests in 12

As discussed above, the Debtors reached resolution with certain Holders of Class 8A General Unsecured Claims in the GUC Mediation regarding such Holders' Allowed General Unsecured Claim amounts, resulting in an increase in the aggregate amount of Allowed General Unsecured Claims in Class 8A. As a result of such increase, as well as to fund the portion of the GUC Settlement Additional Equity Distribution Amount that is not funded by the reduction in the Second Incremental Convertible Noteholders Equity Distribution the Residual Equity Pool will decrease in a corresponding amount, thereby reducing recoveries for Holders of Allowed 510(b) Claims in Class 11 and Existing Common Interests in Class 12. As a result of the GUC Settlement, the Residual Equity Pool distributed to Holders of Allowed Claims in Class 11 and Interests in Class 12 on the Effective Date has been reduced by approximately \$7.1 million of value, based on Plan Value.

In addition, if the GUC Contingent Payment Obligations becomes due and payable in accordance with their terms, distributions of New Common Interests from the resolution of Disputed Claims that would otherwise have increased the Residual Equity Pool will instead be distributed to Holders of Allowed General Unsecured Claims in Class 8A on account of the GUC Contingent Payment Obligations. Potential distributions of New Common Interests from the resolution of Disputed Claims up to the GUC Contingent Payment Obligations Maximum Amount⁸ shall not be issued and distributed until the earlier of (i) the termination of the GUC Contingent Payment Obligations or (ii) the date the GUC Contingent Payment Obligations become due and payable in an amount less than the GUC Contingent Payment Obligations Maximum Amount, in which case Classes 11 and 12 will receive the remaining New Common Interests after such GUC Contingent Payment Obligations are paid.

⁸ The "GUC Contingent Payment Obligations Maximum Amount" are New Common Interests with an aggregate value, based on Plan Value, equal to \$7,100,000.

6. No Changes to Treatment of Class 4 (Other Secured Claims), Class 5 (M&M Lien Secured Claims), Class 6 (Secured Mortgage Claims), Class 7 (Priority Non-Tax Claims), Class 9 (Intercompany Claims), and Class 10 (Intercompany Interests)

No changes have been made to the treatment provided to Holders in Class 4 (Other Secured Claims), Class 5 (M&M Lien Secured Claims), Class 6 (Secured Mortgage Claims), Class 7 (Priority Non-Tax Claims), Class 9 (Intercompany Claims), and Class 10 (Intercompany Interests).

7. Other Plan Amendments

The Debtors have made a number of other modifications to the Plan in accordance with the GUC Settlement, including, without limitation, the following:

- **Releases and Exculpations:** The Creditors' Committee and the members of the Creditors' Committee, solely in their capacities as such, will receive releases and exculpation under the Plan, subject to Bankruptcy Court approval. All Related Parties thereto will receive releases under the Plan, subject to Bankruptcy Court approval. The full text of the Plan's release and injunction provisions are included in Article VIII of the Plan.
- **Creditors' Committee Consent Rights:** The Plan provides that the Plan, the Plan Supplement, and the Confirmation Order will be in a form reasonably acceptable to the Creditors' Committee, solely to the extent any such document materially affects the GUC Settlement or treatment of General Unsecured Claims.
- **Waiver of Avoidance Actions:** The Plan provides the Reorganized Debtors shall be waive and release all Avoidance Actions that they may have in relation to any Holder of General Unsecured Claims and Convenience Claims in Classes 8A and 8B; *provided, however*, that the Reorganized Debtors shall retain the right to assert such Avoidance Actions as defenses or counterclaims with respect to any such Holder.

C. Additional Plan Modifications

1. Changes to Treatment of Holders of Unvested Restricted Stock and Forfeiture of Unvested Stock Options Held by Former Members of the Debtors' Board

The Third Amended Plan provided Holders of Unvested Restricted Stock with the same recovery as Holders of Existing Common Interests (New Common Interests, New Warrants, and Subscription Rights). As modified, pursuant to the Plan, Holders of Unvested Restricted Stock in Class 12 will now receive (i) such Holder's Pro Rata Share of New Common Interests in the Residual Equity Pool and (ii) in lieu of New Warrants and Subscription Rights, New Common Interests equal to the value of such Holder's Pro Rate Share of the New Warrants and Subscription Rights. Any New Common Interests distributed to Holders on account of such Unvested Restricted Stock will be subject to the same restrictions/vesting conditions applicable to such Unvested Restricted Stock as of the Effective Date.

All unvested Stock Options held by members of the Board of Directors of Core Scientific, Inc. immediately prior to the Effective Date are anticipated to be forfeited shortly after the Effective Date pursuant to the terms of the applicable Stock Option Award Agreements when such members are replaced by the New Board on the Effective Date. As a result, the Debtors amended the Plan to clarify the Debtors are no longer required to issue and reserve as treasury stock New Common Interests on account of unvested Stock Options held by Persons whose service with the Debtors will terminate on the Effective Date.

2. Clarification to the Miner Equipment Lender Settlement

The Debtors have clarified the treatment language with respect to the election options available to Holders of Class 3 Miner Equipment Lender Secured Claims. In accordance with the Plan, Holders of Class 3 Miner Equipment Lender Secured Claims that elect on their Ballot either the Miner Equipment Lender Treatment Election 1 or Miner Equipment Lender Treatment Election 2 shall *wave* their recovery on account of their Allowed Miner Equipment Lender Deficiency Claim and therefore receive no treatment as a Class 8A General Unsecured Claim.

3. Change to the Board Composition of the Reorganized Debtors

The New Board shall now consist of 7 members rather than the 5 members contemplated by the Third Amended Plan. Of the 2 additional members of the New Board, 1 will be selected by the Equity Committee in Class 1 (serving 13 months) and the other will be selected by the Ad Hoc Noteholder Group in Class 3 (serving 39 months).

4. Removal of Forfeiture of Distribution for Holders of Claims Without an Eligible DTC Account

Under the Plan, distributions of (i) New Common Interests, (ii) New Secured Convertible Notes, (iii) New Secured Notes, (iv) New Warrants, or (v) Contingent Payment Obligations will be made through DTC. Under the Third Amended Plan, Holders entitled to distributions who did not own or hold an account eligible to receive such a distribution through DTC on the date of distribution would forfeit such distribution. The Plan has been amended to provide for such distributions to such Holders on the books and records of the Reorganized Debtors or of the applicable agent, trustee, or transfer agent.

D. Other Updates

1. Claims Reconciliation

Since filing the Third Amended Plan, the Debtors have continued to resolve Disputed Claims, which will enable them to make greater distributions of New Common Interests on the Effective Date to Holders of Claims or Interests in Classes 11 and 12. Of note, the Debtors (i) filed an omnibus claim objection to resolve (a) amended Claims, (b) duplicative Claims, (c) Claims asserted against the wrong or multiple Debtors, (d) late-filed Claims, (e) Claims with insufficient

documentation, (f) Claims asserted by equity owners and (g) Claims being reclassified (Docket No. 1460), (ii) filed a motion to reclassify Claims pursuant to section 510(b) of the Bankruptcy Code (Docket No. 1463), and (iii) filed a motion to establish the maximum disputed claim amounts for distribution purposes (Docket No. 1525) (the “**Disputed Claims Motion**”).

Additionally, as discussed in the Disclosure Statement, Morgan Hoffman, on behalf of himself and ostensibly the plaintiffs in the Securities Class Action, filed Proof of Claim No. 632 against Debtor Core Scientific Inc. in the amount of \$188.6 million (the “**Securities POC**”). The Third Amended Plan classified the Securities POC as a Class 11 510(b) Claim. At a December 6, 2023 hearing, the Bankruptcy Court (i) denied Hoffman’s request to file a Proof of Claim on account of the entire class of plaintiffs in the Securities Class Action and (ii) Disallowed the Securities POC without prejudice for Hoffman to file an amended Proof of Claim on account of his individual Claim.

The Debtors intend to continue the Claims reconciliation process to maximize the value in the Residual Equity Pool which will be distributed to Holders of Allowed Claims in Class 11 and Interests in Class 12 on the Effective Date.

2. Settlements/Agreements with Creditors

The Debtors recently reached a settlement in principle with litigation counterparty Sphere 3D Corp. (“**Sphere**” and such settlement the “**Sphere Settlement**”).⁹ Under the Sphere Settlement, Sphere 3D Corp. is expected to receive a total Allowed General Unsecured Claim of \$10 million in Class 8A in resolution of Sphere’s Claim. The Sphere Settlement also includes mutual releases between the Debtors and Gryphon Digital Mining Inc. The Debtors plan to file a motion under Bankruptcy Rule 9019 to approve the Sphere Settlement.

In addition to the Sphere Settlement, the Debtors have finalized a number of value accretive transactions and settlements and filed motions seeking approval of such transactions, including (i) a motion to assume the Dalton Agreements providing the Debtors with reduced power costs at the Dalton Facility and the Debtors issuing Dalton a note to satisfy agreed upon cure costs;¹⁰ (ii) a motion to enter into an asset purchase agreement with Bitmain Technologies Delaware Limited;¹¹ (iii) a motion to enter into a settlement with McCarthy the Debtors’ largest remaining Holder of Class 5 M&M Lien Secured Claims, in which the Debtors provided McCarthy with Cash and a note to (a) resolve McCarthy’s Claims against Debtors and (b) release McCarthy’s statutory liens against the Debtors’ Denton Facility,¹² (iv) an amendment to the settlement with Foundry,¹³ and (v) settlements with various other parties of which the Debtors intend to seek Bankruptcy Court approval in the coming days.

⁹ The Debtors’ dispute with Sphere is discussed in further detail in section VI.I.iii.a of the Disclosure Statement.

¹⁰ *Debtors’ Emergency Motion for Entry of an Order (I) Authorizing Assumption and Performance of the Legacy Dalton Agreements, as Amended by the Dalton Settlement Agreement and (II) Granting Related Relief*, filed December 6, 2023 (Docket No. 1515).

¹¹ *Debtors’ Motion for Entry of an Order (I) Authorizing Core Scientific, Inc.’s Entry Into Asset Purchase Agreement And (II) Granting Related Relief*, filed on December 1, 2023 (Docket No. 1497). Details of the asset purchase agreement with Bitmain Technologies Delaware Limited are detailed in section VI.I.xii of the Disclosure Statement.

¹² *Debtors’ Motion for Entry of an Order (I) Authorizing (A) Assumption Of McCarthy Contracts, as Amended In Accordance With the Settlement Agreement And (B) Entry Into the Settlement Agreement, And (II) Granting Related Relief*, filed on December 18, 2023 (Docket No. 1580) (the “**McCarthy Settlement**”).

¹³ The Foundry Settlement is described in section VI.I.xii of the Disclosure Statement.

3. *DIP Amendment*

On December 18, 2023, four days prior to the original maturity of the Debtors' Replacement DIP Facility on December 22, 2023, the Debtors filed the *Notice Of Intent To Execute Amendment To Replacement Dip Credit Agreement* (Docket No. 1581) (the "**DIP Extension Amendment**"). The DIP Extension Amendment provides the Debtors with a 3 month extension of the Replacement DIP Facility and enables the Debtors to draw the remaining \$35,000,000 commitment existing under the Replacement DIP Facility, in accordance with the terms of the DIP Extension Amendment, in exchange for an extension fee of \$1,225,000. The DIP Extension Amendment provides the Debtors with additional liquidity in the event of a delay or unforeseen circumstances.

Creditors' Committee Recommendation

To: Holders of Class 8A General Unsecured Claims and Class 8B Convenience Claims

We are writing to you on behalf of the Official Committee of Unsecured Creditors (the “Committee”) of Core Scientific, Inc., *et al* (the “Debtors”) in connection with the solicitation of your vote with respect to the enclosed *Fourth Amended Joint Chapter 11 Plan of Core Scientific, Inc. and its Affiliated Debtors* [Docket No. 1622] (including exhibits thereto, the “Plan”).²³ **For the reasons set forth below, the Committee recommends that you vote to accept the Plan in accordance with the voting instructions set forth on your ballot.**

The Debtors filed voluntary chapter 11 bankruptcy petitions in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”) on December 21, 2022. On January 9, 2023, the Committee was appointed pursuant to section 1102 of the Bankruptcy Code by the United States Trustee to represent the interests of all of the Debtors’ general unsecured creditors. The Committee’s counsel in these chapter 11 cases is Willkie Farr & Gallagher LLP, and its financial advisor is Ducera Partners LLC.

Throughout these chapter 11 cases, the Committee has worked closely with the Debtors and other key parties in interest to reach agreement on a consensual chapter 11 plan that maximizes recoveries to general unsecured creditors. Following months of mediation and negotiations, the Committee reached a settlement of its issues regarding the Plan (the “Settlement”) that provides for the payment in full (plus interest) to Holders of General Unsecured Claims in Class 8A and Holders of Convenience Claims in Class 8B. The Settlement will be approved and implemented upon the Bankruptcy Court entering an order confirming the Plan.

As detailed in the Plan and corresponding Disclosure Statement, each Holder of an Allowed General Unsecured Claim in Class 8A will receive New Common Interests with a value, based on Plan Value, equal to one hundred percent (100%) of such Holder’s Allowed General Unsecured Claim. In addition, such Holders will receive their *pro rata* share of (a) the GUC Settlement Additional Equity Distribution Amount and (b) the GUC Contingent Payment Obligations. The Committee successfully negotiated the GUC Settlement Additional Equity Distribution Amount and the GUC Contingent Payment Obligations as part of a resolution of the Committee’s objections to the Plan. Separately, each Holder of an Allowed Convenience Claim in Class 8B (*i.e.*, an Allowed General Unsecured Claim equal to or less than \$10,000) will receive Cash in an amount equal to such Holder’s Allowed Convenience Claim. Distributions under the Plan on account of Allowed General Unsecured Claims and Allowed Convenience Claims will be made on the later of (i) the Effective Date or as soon as reasonably practicable thereafter and (ii) on or before the first Business Day after the date that is thirty (30) calendar days after the date such General Unsecured Claim or Convenience Claim, as applicable, becomes an Allowed Claim.

The package you received includes a copy of the Plan, the Disclosure Statement, and a ballot for voting on the Plan. **The Committee, its counsel, and its financial advisor strongly encourage you to complete the ballot by voting to accept the Plan.** The Committee is very pleased to communicate the terms of the Settlement to you. Bankruptcy cases where general unsecured creditors are paid in full plus interest are extremely rare. Put simply, the Plan and the Settlement embodied therein represent an excellent result for general unsecured creditors.

²³ Capitalized terms not defined in this letter shall have the meaning defined in the Plan or the Disclosure Statement, as applicable.

Should you have questions, please feel free to reach out to the undersigned Committee's counsel.

Sincerely,

THE OFFICIAL COMMITTEE OF UNSECURED
CREDITORS OF CORE SCIENTIFIC INC., *ET AL*

Plan Redline

(Filed Separately at Docket No. 1624)

EXHIBIT E
Tax Disclosures

CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN, AS AMENDED

The following discussion supplements the discussion in Section VIII of the Disclosure Statement, "Certain Federal Income Tax Consequences of the Plan," and is subject to the same limitations and assumptions applicable to that discussion. The following discussion replaces and supersedes the discussion of Holders of General Unsecured Claims and Convenience Claims. For purposes of this Exhibit, capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Disclosure Statement.

The Plan, as amended, alters the treatment of holders of General Unsecured Claims and Convenience Claims. Under the Plan, as amended, in full and final satisfaction, settlement, release, and discharge of their Claims:

- Holders of an Allowed General Unsecured Claim will receive New Common Interests and non-transferrable GUC Contingent Payment Obligations; and
- Holders of an Allowed Convenience Claim will receive Cash.

This discussion assumes that (i) the installment method does not apply to the GUC Contingent Payment Obligations, either because the exchange is not eligible or because the U.S. Holder of Allowed General Unsecured Claims elects out of such treatment and (ii) the GUC Contingent Payment Obligations are received in a "closed transaction." See section B below ("Ownership and Disposition of GUC Contingent Payment Obligations").

A. Taxable Exchange

In general, a U.S. Holder of an Allowed General Unsecured Claim or Allowed Convenience Claim will recognize gain or loss equal to the difference, if any, between (i) (A) in the case of a Holder of an Allowed General Unsecured Claim, the fair market value of the New Common Interests and GUC Contingent Payment Obligations received in respect of its Claim, or (B) in the case of a Holder of an Allowed Convenience Claim, the amount of Cash received in respect of its Claim (other than, in each case, any consideration received in respect of a Claim for accrued but unpaid interest and possibly accrued OID) and (ii) the U.S. Holder's adjusted tax basis in its Claim (other than any tax basis attributable to accrued but unpaid interest and possibly accrued OID). A U.S. Holder of a Claim will have ordinary interest income to the extent of any consideration allocable to accrued but unpaid interest or accrued OID not previously included in income. See section C. below ("Distributions in Discharge of Accrued Interest or OID"). For a discussion of the character of any gain or loss, see section D. below ("Character of Gain or Loss").

A U.S. Holder of an Allowed General Unsecured Claim generally will have a tax basis in its New Common Interests and GUC Contingent Payment Obligations received in satisfaction of its Claim equal to the fair market value of such New Common Interests and GUC Contingent Payment Obligations received. The U.S. Holder's holding period in each should begin on the day following the Effective Date, subject to the discussion of the "straddle" rules below in section B. ("Ownership and Disposition of GUC Contingent Payment Obligations").

B. Ownership and Disposition of GUC Contingent Payment Obligations

The U.S. federal income tax treatment of the GUC Contingent Payment Obligations (which are non-transferrable) is unclear, and depends, in part, on whether the GUC Contingent Payment Obligations are received in a “closed transaction” or an “open transaction” and whether such obligations are treated, as a contingent payment debt instrument for U.S. federal income tax purposes, as equity of Reorganized Parent or as a deferred payment obligation. Open transaction treatment should apply only if the fair market value of the GUC Contingent Payment Obligations cannot be ascertained as of the Effective Date, and the IRS has taken the position that only in “rare and extraordinary circumstances” is the fair market value of property so uncertain such that open transaction treatment would be available. Treatment as a contingent payment debt instrument is unlikely because the amount payable with respect to the GUC Contingent Payment Obligations is entirely contingent upon future events. Treatment as an equity interest of Reorganized Parent is also unlikely because the GUC Contingent Payment Obligations protect against a decline in the value of the stock of Reorganized Parent, rather than participating in the growth of the corporation. Accordingly, the Debtors intended to treat the GUC Contingent Payment Obligations as a deferred payment obligation in a closed transaction.

Payments on the GUC Contingent Payment Obligations (other than amounts treated as “imputed interest”) first would reduce a U.S. Holder’s tax basis in the GUC Contingent Payment Obligation (but not below zero) and thereafter result in gain to such U.S. Holder. U.S. Holders may be required to treat a portion of any payments under the GUC Contingent Payment Obligations as imputed interest. If no payments are ever received on the GUC Contingent Payment Obligation, or the aggregate payments received is less than such U.S. Holder’s tax basis in its GUC Contingent Payment Obligation, the U.S. Holder generally would recognize a loss. The character of any gain or loss as capital or ordinary in nature is uncertain.

The straddle rules potentially may apply while a U.S. Holder holds both GUC Contingent Payment Obligations and New Common Interests. The applicability of these rules may affect the timing of when a loss is recognized in connection with a (i) disposition of New Common Interests or (ii) lapse or disposition of GUC Contingent Payment Obligations. The straddle rules may also affect the applicable holding periods of New Common Interests or GUC Contingent Payment Obligations. Additionally, for purposes of the dividends received deduction, the holding period of the New Common Interests generally may not include periods in which a corporate U.S. Holder held GUC Contingent Payment Obligations.

U.S. Holders are urged to consult their tax advisor regarding the U.S. federal income tax treatment of the GUC Contingent Payment Obligations (including payments thereon, and the lapse or disposition thereof) and the potential application of the straddle rules.

C. Distributions in Discharge of Accrued Interest or OID

In general, to the extent that any consideration received pursuant to the Plan by a U.S. Holder of an Allowed General Unsecured Claim or Convenience Claim is received in satisfaction of accrued interest during its holding period, such amount will be taxable to the U.S. Holder as interest income (if not previously included in the U.S. Holder’s gross income or tax-exempt for U.S. federal income tax purposes). Conversely, a U.S. Holder of a General Unsecured Claim may be able to

recognize a deductible loss to the extent any accrued interest claimed or accrued OID was previously included in its gross income and is not paid in full. However, the IRS has privately ruled that a holder of a “security” of a corporate issuer in an otherwise tax-free exchange could not claim a current deduction with respect to any unpaid OID. Accordingly, it is unclear whether, by analogy, any U.S. Holder of an Allowed General Unsecured Claim or Allowed Convenience Claim that does not constitute a “security” would be required to recognize a capital loss, rather than an ordinary loss, with respect to previously included OID that is not paid in full.

The Plan provides that, except as otherwise provided therein or as otherwise required by law (as reasonably determined by the Reorganized Debtors), distributions with respect to an Allowed Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for U.S. federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim (in contrast, for example, to a pro rata allocation of a portion of the exchange consideration received between principal and interest, or an allocation first to accrued but unpaid interest). *See* section 6.17 of the Plan. There is no assurance that the IRS will respect such allocation for U.S. federal income tax purposes.

U.S. Holders of Allowed Claims are urged to consult their own tax advisor regarding the allocation of consideration received under the Plan, as well as the deductibility of accrued but unpaid interest (including OID) and the character of any loss claimed with respect to accrued but unpaid interest (including OID) previously included in gross income for U.S. federal income tax purposes.

D. Character of Gain or Loss

The character of any gain or loss as long-term or short-term capital gain or loss or as ordinary income or loss of a U.S. Holder of an Allowed General Unsecured Claim or Allowed Convenience Claim will be determined by a number of factors, including the tax status of the holder, whether the Claim constitutes a capital asset in the hands of the holder and how long it has been held, whether such Claim was acquired at a market discount and whether and to what extent the holder previously claimed a bad debt deduction with respect to such Claim.

A U.S. Holder of an Allowed General Unsecured Claim or Allowed Convenience Claim that purchased its Claims from a prior holder at a “market discount” (relative to the principal amount or “revised issue price”, as described below, of the Claims at the time of acquisition) may be subject to the market discount rules of the Tax Code. A holder that purchased its Claim from a prior holder will be considered to have purchased such Claim with “market discount” if the holder’s adjusted tax basis in its Claim is less than the stated redemption price at maturity (or, in the case of Convertible Notes Secured Claims or any other Claim issued with OID, the “revised issue price”, *i.e.*, generally, the issue price of such Claim plus the aggregate amount of OID includible in the income of prior holders) of such Claim by at least a statutorily defined *de minimis* amount. Under these rules, any gain recognized on the exchange of Claims (other than in respect of a Claim for accrued but unpaid interest) generally will be treated as ordinary income to the extent of the market discount accrued (on a straight line basis or, at the election of the holder, on a constant yield basis) during the holder’s period of ownership, unless the holder elected to include the market discount in income as it accrued. If a U.S. Holder of an Allowed General Unsecured Claim or Allowed Convenience Claim did not elect to include market discount in income as it accrued and, thus, under the market discount rules, was required to defer all or a portion of any deductions for interest on debt incurred or maintained to purchase or carry its Claims, such deferred amounts would become deductible at the time of the exchange.

² Equity distribution equal to Rights Offering shortfall amount (\$55 million minus the actual Rights Offering amount) paid in equity with a 20% fee at a 30% discount to Plan Equity Value. Exit Lenders Rights Offering Shortfall Equity Distribution represents the first 2.0% equity distribution on account of the Rights Offering shortfall (if any).

⁴ Sum of First Incremental Convertible Notes Equity Distribution and Second Incremental Convertible Notes Equity Distribution. Assumes Allowed Equity Committee fees of \$10 million, resulting in \$3.25 million Second Incremental Convertible Noteholders Equity Distribution prior to reduction by Incremental Equity to GUCs and addition of Incremental Equity on Account of Convenience Class Payments. Incremental Equity to GUCs reduces the Second Incremental Convertible Notes Equity Distribution by \$3.16 million. Incremental Equity on Account of Convenience Class Payments increases the Second Incremental Convertible Notes Equity Distribution by \$0.04 million. The combined net Incremental Convertible Notes Equity Distribution is \$1.63 million.

⁵ These percentages assume that Stonebriar Commercial Finance and BlockFi Lending LLC elect Miner Equipment Lender Treatment Election 2; Wingspire Equipment Finance LLC f/k/a Liberty Commercial Finance LLC and Jack Novak elect Default Miner Equipment Lender Treatment; and all other Miner Equipment Lenders elect Miner Equipment Lender Treatment Election 1. These assumptions are based on elections submitted to date as well as the Debtors' conversations with the Settling Equipment Lenders. Does not include recovery on account of Miner Equipment Lender Deficiency Claims for lenders electing Default Miner Equipment Lender Treatment.

⁶ Includes (i) GUCs Settlement Additional Equity Distribution Amount and (ii) recovery on account of Miner Equipment Lender Deficiency Claims for lenders electing Default Miner Equipment Lender Treatment.

⁷ The illustrative equity allocation to Holders of General Unsecured Claims relies on certain assumptions including: (i) the Debtors prevail in objections to certain Claims including (but not limited to) Claims filed by securities litigation claimants and Oklahoma Gas and Electric Company; (ii) Sphere's claim is resolved pursuant to a settlement or otherwise; (iii) Foundry's claim is resolved pursuant to a settlement or otherwise; (iv) the Debtors prevail in the argument that unsecured creditors are entitled to post-petition interest at the Federal Judgement Rate; and (v) the Miner Equipment Lenders make elections as outlined in Note 5. If the Allowed amount of General Unsecured Claims increases, the allocation to Holders of Existing Common Interests will decrease.
